

Business Supporter Program

A great fundraising opportunity!

For each \$100 donated from a business or individual, we will include their business card in the Sacramento Executive Lock Up event program.

- **The donor must supply their own business card.**
- Business cards should not have advertising included on them (examples: a coupon, a slogan that refers to competitors, etc.)
- All business card donations are counted toward your individual fundraising total
- Donations can be made online or by check or cash.

All cards must be turned in **Thursday, March 20, 2014** to be included in the program – **no exceptions.**

** Business cards, forms, and cash/check should be paper clipped together.

INSTRUCTIONS

Please complete the **Business Supporter Form** and attach the business card and the \$100 donation turn into the MDA office in Roseville, by mail or personal visit.
