ANIMATION & DIGITAL FILM STUDIO ACTIVITIES:

- LEGO ANIMATION
 - CGI ANIMATION
 - CEL ANIMATION
 - GREEN SCREEN TECHNIQUES
 - STOP MOTION ANIMATION
 - CLAYMATION

Make your own digital shorts! Try different techniques. Learn and experiment with up to six different animation techniques. Then see your creations on a huge movie screen in our annual show! No experience needed. For ages 5 - 99 (adults welcome!)

ENGINEERING / TECH STUDIO ACTIVITIES:

• ROBLOX GAME MAKING + MINECRAFT

Build your own online video game with the ROBLOX multi-player game platform and share it with the world! Advanced students may learn to use the Lua scripting language to control your ROBLOX game environment. No experience needed. For ages 7 - 17.

• 3D PRINTING

Design and make your own things with state-of-the-art 3D printing. Learn to create your own toys, small plastic art pieces, animation characters and more! Adults are welcome too! For ages 8 and up.

• BUILD A WEB SITE!

Make your own web site using Wordpress! Adults are welcome too - a great opportunity to create your own web site for any purpose! For ages 8 and up. (\$30 one-time additional fee for a .com style URL registration.)

• LEGO ROBOTICS!

Build working robots that you can program to sense objects, move on their own and even speak. Easy assembly and programming. No experience needed. For ages 8 and up.
