As a member of the FTTH Council Americas, we agree to adhere to the antitrust laws and the FTTH Council's antitrust policy.

The Fiber-to-the-Home Council Americas is a 501(c)(6) organization under the US Tax Code. A provision of the 1993 Revenue Reconciliation Act makes that portion of dues that go towards supporting lobbying activity non-deductible. At this time, we estimate that 28% of your dues will go towards lobbying expenses and therefore cannot be deducted as a business expense.
