

\$9 OPTUS PLAN

..... FOR USE WITHIN AUSTRALIA

INFORMATION ABOUT THE SERVICE

How Your Optus Plan works

If you use more than 50 minutes during your billing month, we'll automatically give you up to another 50 minutes for \$5. If you use more than this amount, each additional 50 minutes will cost \$5. If you use more than 1,000 minutes, any additional minutes will be unlimited.

If you use more than your included data during your billing month we'll automatically give you another 1GB for \$10. Each time you use all of your data inclusion we'll give you another 1GB for \$10, up to a maximum of 20GB additional data on one account per month. Your service may then be restricted or we may continue to charge you at these rates.

At the end of your billing month, you'll automatically be moved back to your plan's inclusions and charges (i.e. Up to 50 minutes and 50MB data).
