Travelers insurance is not included in your tour price. It is the participant's responsibility to verify whether his / her local health insurance includes sufficient coverage outside of the U.S. Please contact your insurance carrier for details. Airline companies stipulate that your ticket either incurs cancellation penalties or is non-refundable. This applies in all cases, even when an illness or unexpected circumstance occurs. WorldChristian.com highly recommends the purchase of comprehensive travel insurance which covers health, lost luggage and trip cancellation. **A waiver (provided with this form) must be signed and returned by the final payment deadline if insurance is declined.**
