High efficiency pool pump rebate form

PART B: Installer to complete (PLEASE PRINT)

Installers name:

Business name:

ABN/ACN:

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

Business Street address:

Suburb:

Postcode:

I have installed for the customer a (tick as appropriate): Reltech Ecoflo V3

I declare that:

- This pump is a plug in unit, and as such no wiring work which would require a certificate of electrical safety was undertaken during its installation. (Please note that if a power point was installed for the pump, no wiring work was undertaken as part of the installation, this is considered a separate job);
- I have installed this pump at a residential premises;
- I am covered by a minimum of five million dollars public liability insurance, and will provide evidence of this to Ecofeet, the provider of this rebate, on request;
- I have installed this pump in accordance with all applicable laws and other regulations applicable to this installation;
- I have the necessary skills, experience, licences and qualifications to perform this installation;
- I have confirmed the customer has written their correct residential address;
- I will work with Ecofeet, the provider of this rebate to remedy any mistakes on this form.

By signing this form the installer will indemnify Ecofeet, together with its officers, agents, subcontractors, subsidiaries, affiliates and employees, and hold them harmless from any damage, loss, expense or liability arising from all work and activities undertaken by the installer in connection with this assignment form. Said indemnity will extend to include damage to property, injuries to or death of any persons, including but not limited to the installer, employees, members of the public, customers, or subcontractors of the installer, all other persons undertaking any element of the services and client staff arising from or in connection with any act or omission by Ecofeet employees or subcontractors of Ecofeet.

Installer's signature: _____ Date: _____

Helpful information:

Consumers in respect of whom a prescribed activity is undertaken can create Victorian energy efficiency certificates (VEECs) under the *Victorian Energy Efficiency Target Act 2007*. One VEEC represents one tonne of carbon dioxide equivalent (CO₂-e) to be reduced by the prescribed activity undertaken by the consumer. Consumers are able to assign their right to create VEECs to an accredited person, in this case Ecofeet, who is working with Reltech to deliver a rebate. In assigning their right to an accredited person, the accredited person will be entitled to create and own the certificates in respect of the prescribed activity undertaken by the consumer. In return, the accredited person should provide consumers with an identifiable benefit for the assignment, such as a price reduction on a product, free installation or a cash-back arrangement. Consumers should be aware that it is their responsibility to negotiate satisfactory terms with the accredited person in return for assigning their right to create VEECs.

Terms and conditions:

- To be eligible a high efficiency pool pump must be installed at a residential premise in Victoria by a suitably qualified business. The pump may be installed as a replacement or for a new swimming pool or spa.
- Ecofeet, the provider of this rebate, reserves the right to establish eligibility of a rebate claim.
- Rebate prices may fluctuate, as the end product, Victorian energy efficiency certificates are subject to price fluctuations.
- Forms must be received no later than April 31st of the year following installation of a high efficiency pool pump.
- Rebate offer expires January 1st 2020.
