The pre-tournament gala will be held on Sunday, May 22, (cocktail reception and dinner, 6 p.m.) at the AT&T Executive Education and Conference Center. Guests will be treated to dinner, live music and live and silent auctions as we celebrate our honorees from the 2005 National Championship football team. The event will commemorate the 10-year anniversary of the 2005 National Championship.

The golf tournament on Monday, May 23 (times, 8:30 a.m. and 1:30 p.m.) at the University of Texas Golf Club, features a double shotgun start: one for the morning and one for afternoon play. Forty NLP celebrity and 160 amateur players make up the field, which is divided into five-person teams consisting of four amateurs and one NLP celebrity. The tournament is played on a scramble format, with prizes awarded for the first three low-gross teams. Golfers will receive breakfast or lunch as well as commemorative gifts and the opportunity to win additional prizes throughout the day.

Neighborhood Longhorns Program

The Neighborhood Longhorns Program (NLP) is part of the Division of Diversity and Community Engagement at The University of Texas at Austin and is the official community service arm of Texas Athletics. The program serves more than 4,000 students per year in 30 Austin Independent School District (AISD) schools. In partnership with AISD, the program serves economically disadvantaged youth (grades 2-8) who are at a high risk of experiencing academic difficulties.

Since its launch at UT Austin in 1991, NLP has provided more than \$666,500 in scholarships and rewarded the academic performance of more than 81,000 students. The students' academic achievements are monitored and rewarded in multiple ways, including visits to the UT campus during special events and Texas Athletic events.

The Silver Spurs

Silver Spurs is the honorary student service organization responsible for the care and transportation of BEVO, UT's longhorn steer mascot. Since their founding in 1937, they have provided over 2,500 campus leaders with the opportunity to give back to the school and community through philanthropic endeavors associated with BEVO.

The primary purpose of the Silver Spurs Alumni Association is to support UT Austin scholarships, NLP, and expenses associated with BEVO.

The NLP appreciates the support it receives from student organizations. Thanks to the support of the Silver Spurs and Silver Spurs Alumni Association, the NLP is able to provide educational program services to the youth in the community.
