

“How to do a Functional Behavior Assessment and Positive Behavior Intervention Plan”

In this class, educators will learn the foundations of Applied Behavior Analysis, the legal requirements of IDEA regarding functional behavior assessments, and how to conduct a functional behavior assessment and positive behavior support plan. Participants will be walked through the process of problem identification, data collection, data analysis, increasing/decreasing behaviors, writing IEP goals, safety plans and progress monitoring. This class is appropriate for special education teachers, administrators, related service providers, and school support teams.

**All sessions will run from 4:00-6:00 p.m. at the
West Bay Collaborative, Warwick (directions attached)**

Facilitator: Jennifer Connolly, URI Adjunct Professor

When: Wednesdays: January 8, 15, 22 & 29

Cost: \$200.00 (includes all four sessions & certificate of attendance)

***Send registration along with a non-refundable check
(Payable to: West Bay Collaborative) no later than January 2, 2014.***
