Please remember to sign-in or out daily in my office, but not both times. One time is enough. This is how I take attendance. If you don't sign out, then I mark you absent and you loose 20 points each day. Please begin by making it a habit to walk to my office area. Also, by Monday, I need for you to go to the media center to have your ID made. This is a requirement for all WBL students. Additionally, please notice that I have moved our Aug. 27 meeting to Wed., Aug. 26. Thank you!
