Al-Noor's Scores – Hitting a Homerun

Our 2007-2008 CAT test results were very encouraging! From Pre-K through 12th Grade, our students scored in the top 25% nationwide. Individual scores from spring 2008 were sent home. Grade level scores are posted in the school. This is a great achievement for both schools, masha'Allah, and we hope to be in the 80th percentile next year!

In addition, our juniors took the PSATs this fall. Masha'Allah, the five students' scores averaged in 67th percentile. This means that they scored better than 67% of students nationwide (including all private and public school students whom took the PSATs this fall.) We have room to improve, but this is a very encouraging sign. Students are performing even better on SATs with scores over 2000!

Over all there are some wonderful achievements at ANA to report. Share the good news with the community! We should be humble in our achievements, but we should also let everyone know what we can offer!

Fundraising in Creative Ways

Tired of the same old fundraising techniques? As you know, tuition does not cover all the expenses at the school. We have a deficit to make up every year through fundraising. This allows us to keep tuition as low as we possibly can. Therefore, we have thought of some new fundraising ideas. Please join us in the effort!

Large Recycling Collection: We now have a paper recycling bin open to the entire community. Please drop off your paper, newspaper, magazines, etc... (no cardboard). The organization will actually pay the school for filling the recycling bin!

Box Tops: We are now collecting box tops. Please contact Sr. Aisha Manzoor for more information on this!

Office Depot Fundraising Cards: Do you have card? Each student was given an Office Depot card. Come get one. Whenever you make a purchase there, enter the school ID # 70214786 and ANA will receive 5% of whatever you spend!

Penny Wars: Two students started a program to raise money by having a contest to see what home room could raise the most change. Students collected nearly \$1000 in change! Congratulations to the 7/8th grade girls for winning the Penny Wars!

With these initiatives, we were able to get some new materials for students! We have ordered new desks, four new state of the art microscopes for the lab, whiteboards, new locks for classroom doors, conference table, computer desk, file cabinets, and brand new Arabic books. Insha'Allah, we will keep improving the school materials and educational environment. Remember, there are still items on the wishlist!

- Teacher's Desks \$500/each (\$4500/whole school)
- Dry Erase Markers \$25/month (\$250/whole year)
- Misc. Classroom Materials \$75/month per class (\$6750/whole year)
- Outside Benches/Tables \$300/each (approx. \$1200/whole school)
- Lockers \$200/Stack of Three Lockers (\$4000/whole school)
- Bulletin Boards \$40/each
- New Maps for Social Studies/History \$250
- Improving the Library Fund \$3000

Welcome Sr. Hanan Zaki-Koura

We want to welcome our new administrative assistant to the school! In just one month she has become absolutely irreplaceable! May Allah (SWT) reward you for your efforts!

Nurse Updates

We thank Sr. Elizabeth for her continued efforts as ANA and IANE's school nurse. Please note that forms were sent home last week indicating if we need updated medical records for your child. Professional Development Program

A teaching career is a life long journey. In order to equip our teachers with the tools they need, ANA and IANE have developed a comprehensive teacher professional development program. This includes an in-house monthly seminar (five total), shadowing principals and teachers at public/private schools, and professional development courses at Sharon Public Schools. We have conducted CPR/First Aid training for most staff at ANA (from the nursing/health grant). Additionally, we have offered stipends for course work at colleges and universities to assist teachers pursuing their graduate and doctorate degrees in education. If you feel you can help in this program, just let us know!

Al-Noor Academy PTSo

Would You Like to Improve Your Child's Success in School?

Dear Moms and Dads,

Al-Noor Academy PTSo (Parent Teacher Student Organization) would like to ask you to come and join us with this wonderful opportunity to pledge our time for the sake of Allah and the success of our children in the school.

ANA PTSo coordinates volunteer efforts for school activities and raises funds to support school programs that further enrich the experience of all students. Parent volunteers help with all types of school programs, class events, class parties, field trips and learning activities.

Studies show that their children do better in school with more parental involvement. Parent involvement is the most important responsibility of the PTSo.

Volunteering does not mean a huge time commitment. An hour or two a semester makes a big difference. We have jobs to fit your time schedule and interests.

Our next meetings will be on Monday Dec.1, 2008 and Monday, Jan. 5, 2008 from 3:00 p.m. to 4:30 p.m. maximum at Al-Noor Academy.

Won't you join us? Just fill out the accompanying form and return it to the school. It's easy---and it really makes a difference!

Please return by December 5, 2008 to Br. Justin

If you would like to find a spot to get connected that fits your interests and availability, simply fill out the form below and we'll get in touch to help you find a great event, committee or effort to help with.
