## Mary Nell's End of Summer Bash August 26, 2006

Don't miss out on the End of Summer Bash. It is time to get your reservation and check in for the Float Trip and BBQ dinner party on Saturday, August 26. In order to reserve a place, we need your check no later than **August 21<sup>st</sup>**. As we did last year, we will put our canoes or kayaks in the Little River below the dam in Walland and float down the river to River John's Island for a BBQ dinner and lots of fun. If you wish to come to dinner only, I will give you directions to River John's place at 4134 Cave Mill Road in Maryville. The three acre Island is a beautiful place to swim, play ball, fish or just relax. For those who don't have a canoe, River John rents them for \$40 and this includes delivering them to the put in point. Share a canoe and only pay \$20. Costs: \$18.00 per person for BBQ, beer and soft drinks. Please bring a lawn chair.

### Water-Ski to the Watering Hole

On the heels of last months' patio-skiing extravaganza comes an opportunity to water ski, Jet Ski, barefoot ski or even sail across the lake to our favorite summertime watering hole, **Calhoun's at the Marina**. Traveling by land to your destination is OK too of course, but under the circumstances cultivating friends with toys before this boater-friendly happy hour is highly recommended.

Long famous for their tasty barbecue, fresh-baked bread and well-trained circus carp, Calhoun's boasts an impressive outdoor deck with plenty of seating on which to enjoy an icy-cold hand crafted brew. Adjacent to the deck is Calhoun's tiki bar, which has an equally impressive view of the marina and features live entertainment beginning at 6:30 p.m. What more could we ask for (besides copious powder during the upcoming ski season)?

Directions! Always happy to oblige, visit <http://www.calhouns.com/cal/loc lenoir.htm> for more information.

## Zermatt – Your Dream Ski Trip February 2-13, 2007

Dominated by Switzerland's most famous landmark—the Matterhorn—Zermatt is certainly the “Ski Trip” you dreamed of. Well, now that dream can come true. You can be one of 42 KSOC'ers to experience one of the best, if not the best ski resort in the world. Partly thanks to the sublime beauty of the Matterhorn, but also thanks to the absence of cars and the resort's great sense of tradition, Zermatt has that special, alluring atmosphere which draws one back time and time again.

Skiing Zermatt is an experience you will never forget. Being surrounded by 29 peaks over 4000M (that's 13,100 ft.) just takes your breath away. And, yes, these are the highest mountains in Europe! No matter where you are the Matterhorn is almost always in sight. As you ride up on a tram (there are 17 aerial cable cars/trams) you will soar across chasms and up cliff faces suspended thousands of feet above the snow. Make sure to take your camera with you, for these are post-card photo opportunities.

But the dream will come true when you snap on your skis and head down the mountain. That's when it all becomes real. No longer are you just in awe of the mountain and its surroundings, you are part of it—You Are Here to Ski!

You'll have to wait for the next newsletter to learn more about your dream ski trip. But just to tantalize you, here are some quick additional facts: (1) all “three” of Zermatt's ski areas soar to at least 3100M (that's 10,200 ft.), (2) the longest run is 13km (about 8 miles) to the village, and (3) you can ski over to Cervinia, Italy.

After leaving Zermatt we will spend three days in London sightseeing and enjoying this historic city before coming home. Just a few more important details, we will be leaving February 2, 2007 and returning on February 13th. We have only 42 spaces on this trip so you need to act fast to make your ski dream come true. The cost of the trip is \$2,400.00 which includes round trip air, all transfers, daily breakfast and four-star dinner in Zermatt, daily breakfast only in London, and all those extra taxes everyone complains about. A \$250.00 initial pre-sign up deposit is required with an additional \$250.00 deposit on sign-up night. Make checks payable to KSOC and mail to:

## Banff, Canada February 3-10, 2007

What an elegant trip this will be! And what magnificent scenery! With 3 different ski areas having the looks of the Alps and the chance to stay at two of the premier hotels in the world, this will surely be a trip to remember for a long time. We have a fantastic trip package that includes 4 nights at the world famous and romantic Banff Springs Hotel and then 3 nights at the beautiful Fairmount Chateau Lake Louise (in the summer, their rooms go for \$400 per night). The Chateau is called “Diamond in the Wilderness” and features some of the most spectacular views imaginable. Where majestic mountains are reflected in the picturesque glacier fed Lake Louise! The Banff Springs Hotel has a style reminiscent of a 19<sup>th</sup> century Scottish Baronial castle, and has every possible amenity including shops, many restaurants, bars, pools, hot tubs, and even a bowling alley. There are optional spa facilities available at additional costs. Included also is a full daily breakfast buffet that has a retail price of \$25 p.p. at both hotels. Baggage handling is included at each hotel as well as baggage transfers between hotels. You leave your packed bags at the room door on the changeover day and they are picked up and put in your new room during the ski day! How's that for service! Also, we will have a Welcome party with 2 drinks and light snacks at each hotel. Ski area shuttle buses operate on a frequent schedule from the hotels. Also included is transportation from Calgary airport to Banff and return from Chateau Lake Louise, along with the \$35 p.p. Banff National Park fee

The 3 combined ski areas provide more than 7,700 acres of terrain and over 240 trails offering skiers of any ability countless challenges. Lake Louise is the largest ski area in Canada with 4,000 acres and a 3,200 ft vertical. It is rated #1 for scenery by SKI magazine with the best mountaintop views in North America. Sunshine Village has over 3,500 vertical and 3,100 acres to ski with a high-speed gondola. It has a legendary steep slope “Delirium Dive” that's becoming the Corbet's of Canada. Norquay is the smallest area and known for it's grooming of the entire beginning and intermediate areas. Is located just 15 min. from downtown Banff and has a vertical of approx. 1,700 ft. You will enjoy the awesome scenery, short lift lines and friendly Canadian hospitality at all of these areas. Check out [www.skibanfflakelouise.com](http://www.skibanfflakelouise.com) for more info on all 3 mountains. We have a great deal on discounted lift tickets also.

We will be flying roundtrip on United Airlines with only one change in Denver, leaving TYS at the decent hour of 9 a.m., returning thru Denver, leaving Calgary about 3:20 p.m. We only have 32 spaces on this trip, so sign up early.

For some of the most awesome skiing, scenery and services in North America, that I have previously experienced, the cost of this trip is just \$1,200.00. This price is contingent on the \$ exchange rate at trip time. The pre-trip deposit is \$150. Make checks payable to KSOC Trip Acct. and mail to:

Spring Break**

This trip is one of KSOC's favorite traditions, and it continues to be very popular. Once again we will be staying at the Gant, which was extremely well liked on our last two trips. Accommodations will include 2 bedroom/2 bath deluxe condos with just a few 3 bedroom/3 bath condos for groups of six that wish to stay and play together. These units are some of most spacious and beautiful places anywhere we ski. Amenities include two heated outdoor swimming pools, three jetted hot tubs, exercise facility, locker rooms with saunas, laundry facilities, ski storage, wood burning fireplaces, and fully equipped kitchens. Additional info about Gant can be found on the web at [www.gantaspen.com](http://www.gantaspen.com).

Transportation arrangements include our Delta flight directly into Eagle (currently booked on Boeing 757s) with a bus ride into Aspen. Our schedule has us departing Knoxville airport at around 6:00 am with arrival at Eagle around noon. This gives everyone plenty of time to enjoy the rest of the afternoon, walk around town, get beverages and groceries, and have a nice dinner.

Four-, five-, and six-day lift tickets will be available for purchase to best suit your skiing needs. Details regarding senior or child lift tickets will be coming at a later time. You or your family can purchase travel insurance for an additional amount to cover your expenses due to illness or emergencies. We'll be planning social events to give all our trip participants opportunities to party and get to know each other. We'll all be great friends by the end of the week.

More info about Aspen can be found on the web at [www.aspensnowmass.com](http://www.aspensnowmass.com).
