PROMOTIONAL FLYER ORDER FORM

Increase your booth traffic.  
Help promote the Show!

Each year, many of our exhibitors take a step toward a more successful show by mailing promotional flyer to their customers and prospects, inviting them to stop by and visit them at their booth.

We provide the flyers free of charge. You commit to mailing them to the people with whom you do business. You can stuff them with invoices and statements, or address and mail them stand-alone, or put them in a standard envelope with your cover letter.

This really works! Use this form to order the quantity you need today, fax this form to the CRCA office and the promotional flyers will be shipped to you. Please mail them by early January at the latest.
