

Build the **GREEN PARTY!** Join the **1000 for 1000** Campaign.

Since the 2000 elections, the Green Party of the United States (USGP) has elected over 174 Greens to office around the country on a platform of peace and justice, double the number in 2000. Now we have launched our 1000 For 1000 Campaign, so that we can expand the Green Party even further. For as little as \$10 a month, you can join this Campaign, and help the Green Party grow.

The format of the 1000 For 1000 Campaign is simple. Each person is asked to give \$1000 at the rate they can afford. We recognize that most people cannot give \$1000 in a single payment, no matter how much they care about the Green Party (though we urge those who can to donate \$1000 or more to do so). At the same time, most of us *can* give \$1000, *if* we pay it in monthly installments - of \$84 (12 months), \$42 (24 months), \$28 dollars (36 months), \$20 (50 months), or \$10 (100 months). We take *no* donations from PACs or corporations, and place a \$10,000 limit on all individual donations (\$20,000, if you agree to share half your donation with your state party).

The USGP will share your 1000 For 1000 donation on a 50-50 basis with your state party, when you request this on your donation form (below), and if the laws of your state and state party allow this (most do).

The Green Party is taking the lead in the growing demonstrations against the war and raising all the issues of peace and justice that you believe in. There has never been a stronger need than now for building the Green Party. Please give to the best of your ability.

To donate, fill out the form below and mail it, with your donation, to the Green Party, at the address below.

I wish to donate to the 1000 For 1000 Campaign, in the way indicated below:

- 1 Payment of \$1000 or more (\$10,000 maximum, \$20,000 if shared with your state party)
- \$84 / month for 12 months \$42 / month for 24 months \$28 / month for 36 months
- \$20 / month for 50 months \$10 / month for 100 months

Check Here, to give 50% of your 1000 For 1000 Campaign donation to your state Green Party.
