Weekend/Evening College (WEC) Readmission Contract

Only former WEC students requesting readmission to WEC must read and initial the items below and sign and date at the bottom of the page.

_____ I understand the Weekend and Evening College (WEC) program is being replaced by the Adult Undergraduate (AU) program. The transition will occur between Fall 2014 – Spring 2017.

_____ I understand the WEC program will end on April 28, 2017. After that time, my program enrollment will be automatically changed to the DAY program and I will pay DAY program tuition rates for future terms. Tuition rates are available at www.augsburg.edu/studentfinancial/tuition.

_____ I understand that I may elect to change to the AU program if my major is offered in the AU program. A Change of Program Form must be filed prior to the start of the semester in which the change is to take place. I have reviewed the AU majors available online at <http://www.augsburg.edu/academics/majors>.

_____ I understand WEC classes will be gradually phased out and offerings may be limited during the transition period, Fall 2014 – Spring 2017. In addition, I understand classes will be offered on both a weekend and evening schedule during this transition period and some majors may require courses on the DAY and AU program schedule. A list of majors that may be partially completed on the evening DAY schedule is found online at <http://www.augsburg.edu/academics/majors>.

_____ I understand the College has committed to the following benefits to assist WEC students during the transition from WEC to AU:

- The net WEC tuition cost will remain static through Spring Semester 2017.
- WEC students may register for classes in any undergraduate program online when their initial registration window opens.
- WEC students are required to meet with a faculty or academic advisor each semester to plan timely progress to degree completion.
