(5) Offers may be withdrawn by written notice received at any time before the exact time set for receipt of offers. Oral offers in response to oral solicitations may be withdrawn orally. If the solicitation authorizes facsimile offers, offers may be withdrawn via facsimile received at any time before the exact time set for receipt of offers, subject to the conditions specified in the solicitation concerning facsimile offers. (g) *Contract award (not applicable to Invitation for Bids)*. The Government intends to evaluate offers and award a contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint. However, the Government reserves the right to conduct discussions if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; accept other than the lowest offer; and waive informalities and minor irregularities in offers received.

(h) *Multiple awards*. The Government may accept any item or group of items of an offer, unless the offeror qualifies the offer by specific limitations. Unless otherwise provided in the Schedule, offers may not be submitted for quantities less than those specified. 52.212-2 – Evaluation – Commercial Items

Evaluation -- Commercial Items (Oct 2014)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The Government will evaluate the two lowest-price offerors for technical acceptability until two low offerors have been identified and determined technically acceptable. Award will be made to the Lowest Price Technically Acceptable offeror.

The following factors shall be used to evaluate offers:

Evaluation Factor	Title
1. Technical Approach	Technical Approach
Subfactor 1.1	Technical/Management Approach/Capabilities
Subfactor 1.2	Staffing Plans and Identification of Key Subcontractors/Team Members
Subfactor 1.3	Schedule to include Mobilization, Demobilization, and Phasing Plan
2. Price	Price

EVALUATION FACTOR 1: Technical Approach

- a. Subfactor 1.1: Specific Technical/Management Approach/Effectiveness and Capabilities. Acceptability will be based on the offeror's demonstration of meeting the requirements of this RFQ, Performance Work Statement (PWS), and attachments. Technical/Management Approach/Capabilities shall demonstrate the construction approach, risk management, logistical requirements, environmental compliance, safety, quality control, planned disposal locations, FOD prevention plan, and resolution of potential issues and challenges in order to meet all RFQ requirements.
- b. Subfactor 1.2: Staffing Plans and Identification of Key Subcontractors/Team Members. Acceptability will be based on the offeror's demonstration of staffing plans that adequately demonstrate key personnel,

teaming partners and subcontractors. Include organizational charts identifying roles and responsibilities, and clearly identify compliance with the qualifications and years of applicable experience required in the statement of work. The Contractor shall identify Teaming Partners/Key Subcontractors and describe the extent of their involvement in the project and applicable qualifications, certifications, and specialized experience.

- c. Subfactor 1.3: Schedule. Acceptability will be based on the offeror's demonstration of execution of the schedule outlining completion within the desired Period of Performance (POP) of 120 calendar days. Capture all PWS requirements within the WBS, execution timelines, and critical path items. Demonstrate coordination of work activities, phasing, adverse weather considerations, and ensure the project will be delivered on time. The schedule shall demonstrate the ability to mobilize 21 calendar days after award.

EVALUATION FACTOR 2: Price

The Contractor shall provide a cover sheet/letter which clearly states the proposal effort title, project number, and summarizes the total price for CLIN 0001 and CLIN 0051 (Table 1). The Government will determine the Total Evaluated Price (TEP) by totaling the sum of CLIN 0001 through CLIN 0051. Adequate price competition per FAR 13.106-3 is anticipated and may exist if, in part, two (2) or more offers are received that satisfy the Government's requirements. To ensure the existence of competitive offers, price analysis will be utilized to evaluate the price reasonableness of each offer. The Government may compare Contractor's proposal price to an Independent Government Estimate (IGE) or may use other price analysis techniques per FAR 13.106-3. Adequate price competition will not exist with the receipt of only one offer; therefore if only one offer is received IAW DoD final rule amending DFARS 215.371 the need for additional data through subsequent negotiations is eliminated if the CO can determine that the offered price is fair and reasonable and adequate price competition exists. The provision DFARS 252.215-7008, Only One Offer and FAR 52.215-20, Requirement for Certified Cost or Pricing Data and Data Other Than Certified Cost or Pricing Data is added to this RFQ. In the event of only one proposal, the Government may require the Contractor to submit certified cost or pricing data in accordance with FAR 15.403-5.

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(3) Are, are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) Have, have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals Contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

(1) Maintenance, calibration, or repair of certain equipment as described in FAR 22.1003-4(c)(1). The offeror does does not certify that—
