## ↓ IMPORTANT INFORMATION - PLEASE READ ↓

- Each exhibitor will get 15 linear feet of space only. Depth of booth is 15 feet. If additional space is needed, it will require the purchase of additional booth space.
- Exhibitors are responsible for any tables, chairs, awnings/tents, display units/racks/shelves, etc.
- Spaces will be assigned on a first-come first-served basis during set-up the day before the event, 06/24, 1pm-7pm.
- A Jonesboro police officer will be providing security the night before the event. However, Jonesboro Radio Group assumes no responsibility for lost or stolen items.
- There is no electricity in the exhibit field. If you need it, you will have to provide your own generator.
- No guns, live animals, fireworks, drop-side baby cribs, car seats/baby carriers more than 5 years old, helmets manufactured before 2009 or any recalled items.
- Food vendors will be on-hand to provide concessions.
- You are responsible for cleaning your area completely. Do not leave trash, items or boxes behind.
- A dumpster will be on hand for trash at the end of the event for your large trash items. Do not pile items and trash around the trash cans!
- Food vendors will be 100% responsible for any certification needed by the health department and must supply a copy to event coordinator along with a complete menu with pricing.
- ONLY exhibitors will be able to park in the event field and will be given one pass per exhibitor vehicle.
