

Puffy wants you to join us for the Great CJ'17 Work Week Event!

August 5th to 13th, 2016
Camp Nedooae, Nova Scotia

What is Work Week?

Assist our CJ'17 Team in getting this great site ready for our Canadian Jamboree, taking place next July, 2017.

Who can come out and help?

Anyone in the Scout/Venturer/Rover Sections and any interested Scouter. We need your skills, tools and help with a variety of jobs that need to be done; from building picnic tables; to clearing and cleaning buildings; to cleaning up scrubbrush.

Do I have to volunteer for the whole week?

Not at all! Give us whatever free time you have, whether it be a day, 2 days, 4 days or all week long. It's up to you! What we will need to know is your arrival and departure time in order to schedule meals for you.

What do I need to bring?

Yourself, your tent (or trailer), a pair of work gloves and safety glasses. For anyone over the age of 16 and you have your own tools, they can be brought with you as well. You will work under the supervision of qualified trades people (for those instances where tools are used). You will also need your own sleeping bag and personal items. Work boots or safety shoes will also be needed to work on site. Each evening, there will be free time in order to socialize, relax, have a swim and enjoy our beautiful camp site! Not to mention our gorgeous sunsets!

Whats in it for me?

A chance to contribute to actually building a Jamboree site, a chance to meet other Scouts, Venturers and Rovers from across Nova Scotia and the other Maritime Provinces! We'll even feed you while you are there at no cost to you!

Count me in! How do I register?

Turn the page and read on!

Just fill out the form and mail it to us at the address below.

Name _____

Address _____

Postal code _____

Phone number _____

Email address _____

Myscouts Identification number _____

SEND your Application to attend the work week to:

Scouts Canada

CJ' 17 Work Week

84 Thorne Ave.

Dartmouth, Nova Scotia

B3B 1Y5

Deadline for responding that you are joining us is SATURDAY, JULY 30th, 2016

(this is so we can be sure to have your meals prepared for you and that you have a camping spot on site!)

We really appreciate your willingness to join us and once you have registered we'll send you a few followup instructions!

Yours in Scouting,

The CJ' 17 Planning Team
