

the Randolph
HOSPICE
HOUSE

A place where Compassion lives, where families find Peace and where Hope never dies. Join us in this new campaign as we offer you the opportunity to sponsor an engraved brick paver in honor or memory of someone special.

The focal point of this serene area is a fountain designed by Seagrove Potter Daniel Johnston. The engraved pavers will be offered to donors at a cost of \$150 per brick. These unique pavers lining the border of the walk will recognize your loved ones and leave lasting memories for years to come while assisting us in our mission of providing quality care and services for our patients and their families.

In a tranquil setting where the sound of a flowing fountain will help put your mind & soul at ease, we appreciate your support of this peaceful "Memory Walk." At Hospice of Randolph County, no one journeys the path of serious illness alone.
