# Facets of Dyslexia

Fourth Annual Conference

April 29, 2017  
Stratford, NJ

We are writing to invite you to become a sponsor of the Cooper Learning Center's **Fourth Annual Facets of Dyslexia Conference**. It will be held on Saturday, April 29, 2017 at Rowan University School of Osteopathic Medicine -Stratford Campus in New Jersey from 8:30am-4:00pm.

As part of the Cooper University Healthcare's Department of Pediatrics, the Cooper Learning Center is distinguished as the region's only child-learning program affiliated with a university-level medical center. We are dedicated to assessing and treating children's learning difficulties, as well as empowering families to support their children.

Over the past few years we have developed a loyal following of New Jersey, Pennsylvania, and Delaware educators and parents. By being a part of the conference, all sponsors will get a great deal of exposure on-line. Your logo will appear on all conference materials, email correspondence, and social media. In addition, your generous sponsorship would be highlighted by:

- o Company name in announcements and promotional materials
- o Your generous sponsorship noted in Dr. Selznick's introduction
- o Free booth space or table to showcase products or services.

To thank you personally, for your involvement, you and any other representatives would be most welcome to attend the conference. I have attached further information. You can see last years conference program at [www.CooperLearningCenter.org/Conference](http://www.CooperLearningCenter.org/Conference).

We would love to include your organization in the day's events. Please contact me directly at 609-673-4900 or through email, [hammill-nancy@cooperhealth.edu](mailto:hammill-nancy@cooperhealth.edu) to let me know your interest or if you have any questions. I look forward to hearing from you and hope you can join us in April!

Warmest regards,

Nancy J. Hammill, M.S.Ed.
