

Haan Crafts Skill Level Rating

We use an easy-to-follow system to rate our sewing kits for difficulty. The system uses a NUMBER to indicate the difficulty of the individual steps, followed by a LETTER to indicate the amount of sewn pieces used to complete the project. We hope that this will help you better determine which kits are appropriate for your students' skill levels, as well as the amount of class time allocated for sewing.

**NUMBER =
Difficulty
Level**

1. Simple
2. Easy
3. Average
4. Moderate

**LETTER =
How Many Sewn
Pieces**

- A. 1-2 pieces
- B. 3-5 pieces
- C. 6-10 pieces
- D. 11-19 pieces
- E. 20 or more pieces

By this measurement, a kit rated 1-A would be the easiest project with the fewest pieces. A kit rated 4-E would be the most challenging project with the most pieces. Ratings are subjective, because some people find stuffed animals easier to construct than garments (or vice versa). Following are the criteria for the skills taken into account when devising this rating system.

NUMBER = Difficulty Level

1 Simple

A good first project for elementary students. Includes simple shapes and flat construction (the pieces have the same shape so they lie flat during construction). With Haan Crafts kits, the major pieces are pre-cut or pre-printed. To-Sew kits include paper patterns or instructions for measuring and cutting. Stuffed projects are easy to turn right side out. The project may include turned and finished edges, and/or a casing for a drawstring.

2 Easy

A good project for beginners. Includes simple shapes and mostly flat construction, although there may be some darts. Stuffed projects are easy to turn right side out. The project may include any Level 1 skills; a casing for a drawstring or waistband; and/or applying more complex appliqué letters or shapes to the surface of the project.

3 Average

A good project for average middle school students. Includes more complex shapes, but no tight or difficult areas. The project may include any Level 1 or 2 skills; more precise matching of seams; a zipper; gathers; and/or inset pieces, such as paws or cuffs.

4 Moderate

A good project for high school students, or above-average or experienced middle school students. Includes more complex shapes. The project may include any Level 1, 2 or 3 skills; piping; one or more tight or difficult areas; and/or challenging sculpting.

LETTER = How Many Sewn Pieces

This indicates the number of pieces (including appliques and accents) that need to be sewn to complete the kit. It does not include trims such as eyes, washers, webbing and ribbons. The higher the letter, the more sewn pieces are involved in the kit, as follows:

- A - 1 or 2 pieces
- B - 3 to 5 pieces
- C - 6 to 10 pieces
- D - 11 to 19 pieces
- E - 20 or more pieces

In addition to the rating system, please read the item descriptions to determine if the item is pre-cut, pre-printed or paper pattern. Pre-cut kits are very quick and easy to make. Pre-printed kits assure accuracy and are quicker to construct than paper pattern kits, which are a little more time-consuming and provide the experience of working with paper patterns.

Reward Discount

Haan Crafts offers a customer rewards program as a way of thanking our loyal customers. The Reward Discount is based on the amount of your purchases over the course of a school year.

We will keep track of how much you spend throughout the entire school year, and if you spend at least \$200 with us, you will earn a 2% credit of all purchases during that time. There is no limit as to how high your credit can reach! You will receive your Reward Discount coupon in August, and you can redeem it anytime during the school year. If you did not receive your coupon, call us and we will tell you the amount of your discount.

Please note, this Reward Discount program is in addition to the Large Order Discount. You will still automatically receive a 5% discount on any school orders of \$300 or more, as detailed in the "Large Order Discount" section on page 94.

Materials and Stuffing

For maximum convenience, Haan Crafts provides all materials needed to complete the projects as shown, including fabric, patterns, instructions, thread, and stuffing. We use white stuffing so that light-colored projects look clean and bright.

"No Stuffing" Discount

We are proud to offer customers a money-saving option. If you do not want the stuffing, we will gladly withhold it from your order and give you a discount, upon request. You can withhold stuffing entirely, or just from specific kits. For each bag of stuffing withheld, we will deduct the following amounts from your order total:

- For each Size #1 Stuffing, deduct \$0.15*
- For each Size #2 Stuffing, deduct \$0.40*
- For each Size #4 Stuffing, deduct \$0.40*
- For each Size #6 Stuffing, deduct \$0.50*
- For each Size #11 Stuffing, deduct \$0.75*
- For each Size #16 Stuffing, deduct \$1.00*
- For each Size #20 Stuffing, deduct \$1.25*
- For each Size #30 Stuffing, deduct \$1.75*
- For each Size #48 Stuffing, deduct \$2.75*

This "No Stuffing" Discount **MUST be requested at the time of the order** (written on your fax or mail order, mentioned during a phone order, or typed into the "Special Instructions" section of a website order). Once stuffing has been shipped, it cannot be returned for credit or a refund. Consult the order blank to find the stuffing size included with each kit.

Returns or Exchanges

Your satisfaction is guaranteed. Any Haan Crafts or To-Sew kit may be returned at any time before, during, or after construction and we will gladly exchange it or refund your money at your option during the same school year. There is no penalty or restocking fee of any kind.

Returns – When items are returned, a credit is issued and you can deduct that amount from one of your payments.

Exchanges – When exchanges are made, we will bill you for any replacement items sent, and credit your account for returned items when we receive them. We do not recommend submitting new orders in the same package as returned kits. New orders or requests for exchange will be shipped more promptly if they are called in or mailed separately from the return, since returns are not processed daily.

When returning items, it is not necessary to return any stuffing; just return the kit itself. If a returned kit is missing significant materials (such as a notable percentage of the fabric), a refund or full refund may not be given, at our discretion. **No credit is given for discontinued or closeout items, items that were purchased more than a year ago, or custom-cut fabric by the foot or yard.**

Rating System

The Haan Crafts rating system uses a NUMBER to indicate the difficulty of the individual steps, followed by a LETTER to indicate the amount of sewn pieces used to complete the project. This helps you better determine which kits are appropriate for your students' skill levels, as well as the amount of class time allocated for sewing.

See page 93 for more information about our rating system, including detailed descriptions of the criteria used in each rating.

Retail Ordering Terms

Any order not placed through a school is a retail order. This includes personal orders for individuals, as well as orders for groups and organizations (such as 4-H, Boy Scouts, Girl Scouts, hospitals, nursing homes, and sewing clubs).

Retail customers may order by phone, online (at www.haancrafts.com) or from the catalog. See page 94 for shipping and handling rates. Retail orders are not eligible for free shipping or open credit. Indiana residents, add 7% sales tax.

Payment (by Visa, MasterCard, Discover, check or money order) must be received before retail orders can be shipped. No COD orders are accepted. Retail phone orders and Internet orders must use Visa, MasterCard or Discover.

Spanish Instructions (free)

Spanish-language instructions are available upon request, at no charge, for a few items. The instructions packaged with the kit will be English, but the separate Spanish instructions will be sent along with the order. Look for this symbol in the catalog:

Spanish instructions can be requested for the following items:

- 313 Footballs*
- 3128 to 3132 square Woven Pillows*
- 531 Small Gym Bags*
- 2441 and 3441 Boxers*

www.HaanCrafts.com

Choking Hazard (A1)

To comply with the federal government's rule, 16 CFR Part 1500 & Labeling Requirement for Toy and Game Advertisements, Haan Crafts is required to prominently display the appropriate "Choking Hazard" warning for products, whenever necessary.

Billing Procedures

The white paper packaged with the kits is the invoice; please pay from it. If you want the school or the school district billed, please give us their billing address. An invoice copy will then be mailed directly to them. Otherwise, the invoice will be placed in the package along with the kits.

Please don't wait for statements before paying. Each invoice is due as it arrives. Further shipments will not be made to teachers or schools who are delinquent in paying invoices. If you receive the invoice but the school pays, please give the invoice to the school office so they can process payment. Most schools will not pay from statements.

Electronic billing available. To receive invoices and statements via e-mail, just send your account number (or customer name and address) to billing@haancrafts.com, using the desired e-mail address.

No Holiday Delivery

Our shipping department closes in late December in order to perform a comprehensive year-end inventory. This causes significant shipment delays between December 20th and January 5th. Because most schools are not in session during the holidays, this is a time-frame that does not affect the majority of our customers. If you need your kits to arrive over the holidays or early in the new year, please order in plenty of time before Christmas, so that we can ship your kits before we shut down for inventory. We apologize for any inconvenience this causes.

Website

Our website (www.haancrafts.com) is a very helpful resource for our teachers and customers. A few of the benefits and advantages of our site include:

- Use it to place orders 24 hours a day (and use *Quick Order* to order with student initials).
- View or download our complete catalog and order form, by going to *About Us: Catalog*.
- Check up-to-the-minute product availability, with the *Products: Out Of Stock* page.
- Find items and closeouts that are only available on the web, on *The Discount Page*.
- Download our Pillow Contest Entry Form (see *Products: Design-A-Pillow Contest*).
- Teachers, create an online Username for teacher privileges. (See *Need Help Logging In?* on the home page for more information.)

After setting up your Username and Password, record them here:
