RRTAGA General Meeting

Tuesday, February 27, 2007

6:30 pm – 8:30 pm

Cedar Valley MS Lecture Hall

The Round Rock TAG Association will hold its next general meeting on Tuesday, February 27th from 6:30 pm until 8:30 pm in the lecture hall at Cedar Valley Middle School.

The meeting's topics will include:

- a presentation by Abacus Brain Study, which has been helping children in Austin build better memory, deep concentration, great discipline, strong self confidence, and higher learning skills for the past 4 years. Optimize your child's brain development through a relatively simple mental brain exercise program. Bring your kids and challenge the abacus students during the presentation time;
- a presentation by Meredith Denton-Hedrick regarding the new Shawn and Kitanna Martin Memorial Scholarship Fund;
- information about the upcoming TAG Conference and Parent Symposium.

RRTAGA board members will also conduct mini presentations to bring you up to date on the latest developments in the Association. Please join us for a fun and informative evening!

Changes to the RRTAGA Scholarships

The Round Rock TAG Association Board recently voted to make some significant changes to the scholarships we offer. In the past, we have offered four \$300 scholarships to graduating seniors, but we have received feedback that these scholarships were too small relative to the amount of work required.

The board voted to simplify the application for the senior scholarships, reduce the amount of writing required, and increase the award to \$500. However, because we have so few graduating seniors who are RRTAGA members, we have reduced the number of available scholarships to one.

The remaining money from the scholarship budget will go toward creating the new *Shawn and Kitanna Martin Memorial Scholarship Fund*. The entire Martin family recently lost their lives in a plane crash in Ohio at the onset of winter break. Kitanna was a TAG student at Great Oaks Elementary, and Shawn a TAG student at Cedar Valley Middle School. This fund will provide scholarships for RRISD's TAG summer enrichment camp to students who qualify. The Martin family was a very generous and caring family, and we feel this is a wonderful way to honor their memory, as well as better serve Round Rock ISD TAG students.

RRISD Summer TAG Festival

Mark your calendar! The RRISD TAG summer camp will be held from 8 am to 12 pm on June 11-14, at Great Oaks Elementary. All current and newly identified TAG students in grades K-5 are welcome to attend. The cost is \$99, and registration begins April 2nd. More information will be coming home in April.

TAG Brags

What RRTAGA members are saying about our wonderful TAG programs

- "Cedar Valley MS has a strong team of TAG teachers that are continually working to enrich our children's lives. I have been so very pleased!"
- "I applaud the recent changes in the TAG program at Old Town Elementary – my child sees the TAG specialist every day, and is grouped in a class with other TAG kids."
- "Susan Culpepper TAG LA at Cedar Valley MS is an outstanding teacher and shows so much patience with our TAG students."
- "The pull-out math and language arts TAG classes have been incredibly positive for my TAG child. We LOVE them!"
- "The TAG program at Great Oaks Elementary is excellent! Mrs. Maggio and Ms. Russell are very dedicated to their students and the program. Thank you!"
- "The TAG program at Pond Springs Elementary is the main element that keeps my child interested in school. It is an educational experience."
- "Revathi Balakrishnan at Forest North is doing a wonderful job! Thank you for bringing Shakespeare into the curriculum!"
- "Hats off to the TAG teachers at Ridgeview Middle School. We have children in 6th and 8th grade, both of whom are learning a great deal and finally feeling more challenged in school. We are blessed they both have great teachers across the board. It is the TAG English and Math teachers that are really stretching their wonderful minds."
- "While we parents wait for a differentiated science and social studies curriculum to become a reality, Mrs Sue Tjon of Pond Springs Elementary is willing to give more of her time and effort to try a new approach, so her TAG kids who are gifted in Science can go "deeper and wider". She and Mrs Sheila Mulbry are the dream teachers TAG kids can be thankful for."
- "Kudos to Katie Artz the TAG math teacher at Chisholm Trail Middle School. She is pretty much available whenever students need her for extra help AM or PM, even during lunch."
- "I think it is wonderful how Ms. Maggio and Ms Russell not only do a great job academically with my TAG student but recognize and are concerned about his social and emotional needs as well!"
- "Raine Maggio and the TAG program at Great Oaks are AWESOME! My 4th grader thrives under it and loves it. Raine keeps us very informed and current. Thank you! Great November meeting for TAG, too!!"
- "RRTAGA meetings are wonderful and very informative!"
- "I appreciate having a pull out program for both math and language arts at Great Oaks Elementary. It has been just what our 4th grader needed! Raine Maggio and Erica Russell are wonderful!!"

3rd Annual Round Rock Independent School District Talented and Gifted Conference for Teachers, Parents and Students

March 24, 2007

8:30-4:00

**Round Rock High School
300 Lake Creek Drive Round Rock, TX**

 12305 Boneta Cove
 Austin, TX 78729

Time to renew your membership if you haven't already!

The RRTAGA supports gifted education for students in the Round Rock ISD. The \$15 yearly family membership is our only source of income and is used to produce newsletters, student scholarships, and activity days for students. Please renew your membership to the RRTAGA and help make all this possible.

Thank you!
