Mutual Hold Harmless and Indemnification Agreement

This agreement is made and entered into by and between Southern Arizona Repossession Services hereinafter REPOSSESSION AGENCY and _____ hereinafter, CLIENT, as of the date of execution hereof by the parties hereto.

CLIENT desires to assign accounts for repossession and REPOSSESSION AGENCY desires that CLIENT make such assignments. Both parties desire to clarify their respective liabilities in the event of claims by any third party.

In Consideration of the foregoing and of the mutual promises and covenants herein made, REPOSSESSION AGENCY and CLIENT agree as follows:

REPOSSESSION AGENCY shall, on each account assigned by CLIENT, indemnify, defend, save and hold CLIENT harmless from losses, damages, claims and/or causes of action arising out of the service activity performed on behalf of CLIENT, provided that all of the conditions in paragraph three (3) below are complied with.

CLIENT warrants and represents that it has a lawful right to the immediate possession of the collateral it seeks to recover and has fulfilled any and all conditions precedent to perfection and enforcement of that right. Further, CLIENT will indemnify, defend, save and hold REPOSSESSION AGENCY harmless from losses, damages, claims and/or causes of action arising out of any mistaken or wrongful acts by CLIENT, its agents, servants or employees, provided that all of the conditions in paragraph three (3) below are complied with.

Upon receipt of notice for any claim or litigation covered by this agreement, any party entitled to indemnity and/or defense hereunder shall promptly give notice and tender defense of said claim or litigation to the party obligated to provide such indemnity and/or defense. Any delay in giving such notice which prejudices an obligated party's ability to defend such claim or litigation or which causes any denial or limitation of insurance coverage shall relieve such obligated party of all obligations hereunder as to that claim or litigation. Further, no party hereto, shall be liable for any costs, legal fees, judgments or settlements incurred prior to tender of defense or without the consent of such party.

This agreement may be cancelled by either party by giving the other party written notice of such termination but shall remain in effect as to an account assigned before such notice is received.
