Energy Express is a proven program to cure summer boredom, and to keep your child's educational achievements from deteriorating between school years. Energy Express children work with AmeriCorps\* volunteers trained to take reading to a whole new level. One book can take your child to places you may never have imagined. Your child will have a unique experience because each group of eight children will be led by an AmeriCorps\* volunteer with imagination and talents all their own.

Each day begins with a healthy breakfast and ends with a hearty lunch to keep their energy up for all the **Energy Express** fun in between! Enroll your child for a summer they'll always remember.
