

INSTRUCTIONS FOR K-1/K-2 VISAS

This office is pleased to inform you that we have recently received the petition I-129F filed on your behalf by your U.S. citizen fiancé(e).

To assist in providing the most efficient customer service and to expedite your K-1/K-2 visa processing, the Consular Section of the U.S. Embassy in Ankara uses a pre-appointment document screening system.

To process a K-1/K-2 visa file and complete the visa interview on the same day, beneficiaries are required to submit their documents at least 15 days prior to their interviews.

Once the Embassy receives the petition, it will contact the applicant and send an information email. When the applicant has collected all the documents specified in the Instruction Package, they should make an appointment and pay the \$240 while getting an appointment through our service provider: [CSC](#). Through CSC, all applicants should also arrange for the pickup of their passports by selecting a pickup location before their interviews

The appointment should be scheduled either online via www.usvisa-info.com or by calling 0850 252 6355 from Turkey or (703) 439-2348 from the United States.

In order to schedule your interview online or through the call center you should follow the steps below:

1. Upon receipt of Embassy's notification, register online at www.usvisa-info.com or by calling 0850 252 6355 from Turkey or (703) 439-2348 from the United States
2. Pay the K-1/K2 visa fee payment through www.usvisa-info.com or by phone at 0850 252 6355 from Turkey or (703) 439-2348 from the United States
3. Schedule a K-1/K2 visa interview appointment through www.usvisa-info.com or by phone at 0850 252 6355 from Turkey or (703) 439-2348 from the United States
4. Choose your visa pick-up location
5. Send the required forms and documents to the Embassy

After the proper registry, the information package that the applicant should send at least 15 days prior to their interview should contain:

- Copy of the CSC appointment confirmation and passport pickup registry receipt
- Necessary forms that the applicant should download from the Embassy website fill them out and bring for the interview [DS-156](#) (two copies) and [DS-157](#) (two copies) and [DS-156K](#) (one copy)
- And other civil and financial documents listed below.

Once you register, you will have the opportunity to send your documents through a branch of Turkish Postal Service (PTT), which you have already selected while registering, without paying a fee. Please also note that if and when your immigrant visa is approved, your visa packet will be sent to the branch of PTT you have chosen for you to pickup in person.

As PTT services are not available in Iran, applicants in Iran may send their documents to our office by any reliable courier service. If you fail to send your complete documentation, we will not be able to interview you on your scheduled date and you will be required to schedule a new appointment through CSC.

IF YOU FAIL TO ATTEND YOUR INTERVIEW YOU NEED TO GET A NEW APPOINTMENT THROUGH THE CSC WEBSITE AT <http://www.usvisa-info.com> or by calling 0850 252 6355 from Turkey or (703) 439-2348 from the United States.

INTERVIEW

At the time of your final K-1/K-2 visa interview, you must submit your medical report, the receipt of \$240.00 K-1/K-2 visa fee, which you paid through usvisa-info.com, two K-1/K-2 visa photographs and the missing documents, if you have any.

- CSC APPOINTMENT CONFIRMATION AND PASSPORT PICKUP REGISTRY RECEIPT:** You must bring the original receipt when you come for the interview. If you fail to bring the receipt, this may cause a delay in the processing of immigrant visas.
- MEDICAL EXAMINATION:** Before their final immigrant visa interview, all applicants are required to undergo a medical examination performed by one of several medical doctors authorized by this Embassy to administer the examination. Beneficiaries are responsible for making their own arrangements for the medical examination with any of the physicians listed on the attached medical information sheet. The beneficiary is also responsible for the cost of the examination. A medical examination is also required for each accompanying child.
Do not send the results of your medical examination to this office before your interview. You will be required to submit your medical report to this office at the time of your interview. Do not bring x-ray film to the Embassy.
- ORIGINALS:** Please submit your originals such as passport, divorce decrees, court documents or Iranian military exemption documents to our office during your interview. Originals of obtainable documents such as the Turkish birth certificate (Nüfus Kayıt Örneği) or police certificates should be sent to our office before the interview.

AFTER THE INTERVIEW

After your personal application, if your file is complete, your visa will be issued within 5 to 10 business days and your passport and visa packet will be given to PTT for delivery to your passport pickup location.

Some Turkish applicants and most Iranian applicants require extensive administrative processing prior to issuance of the visa. This process generally takes 8 weeks or longer. No visa for these applicants can be issued until the administrative process is complete.

If administrative processing is required, the beneficiary may be required to return to the Embassy after the process has been completed. The Embassy will request and receive the administrative process results for the applicant from the United States. We recommend that applicants return home while they wait for the completion of the process. Once the administrative processing is completed the applicant's case number (which will be given to you at the interview) will be posted on our website. It will be your responsibility to check our website to see if your process is completed. Applicants who are not Turkish citizens will need to return to the U.S. Embassy in Ankara once their number appears on the site. After you present yourself at the Embassy, if your application is complete, your visa will be sent to PTT branch of your choice in Turkey within ten working days.

While waiting for the administrative process to be complete, your medical examination may expire. In that case, you will need to renew the medical examination.

The validity of your K-1/K-2 visa will be limited with the validity of your medical report. K1-K2 visas are valid for a maximum of six months from the date of issuance. Applicants must travel and apply for admission to the United States before their immigrant visas expire.

MOST IMPORTANT

No assurance can be given in advance that a visa will be issued. A consular officer can make a decision only after the formal application and all documents are reviewed, and that officer has personally interviewed the applicants.

IMPORTANT: Beneficiaries should not make any travel arrangements for departure, dispose of personal property or make other life changes until the visa has been issued.

This office will make every effort to expedite the process. However should complications arise, applicants may be required to return to this office or furnish additional information.

INSTRUCTIONS FOR MEDICAL EXAMINATION

All intending immigrants are required to undergo a medical examination by one of the medical doctors or clinics on the following list. The physicians will provide the necessary medical examination forms. Please visit only one of the authorized physicians on the list. You must have your passport and two passport size photographs along with your case number with you in order to complete the medical exam. Make sure that your medical examination is completed **BEFORE YOUR APPOINTMENT DATE** and bring the results of the examination on your appointment date. We suggest that you make arrangements for your medical examination at least **THREE** or **FOUR** days prior to your appointment date. You do not need to bring your X-Ray to your visa interview. If you suffer from a chronic illness, have been treated for any disease or are under psychiatric care, doctors recommend you to present your medical file during examination.

IMPORTANT NOTE: Applicants ages two (2) years to fourteen (14) years of age (from 2nd birthday until reach 15th birthday) must undergo the medical examination at least four (4) work days prior to their scheduled appointment at the Consulate. Failure to do so may result in processing delays or rescheduling of initial appointment.

All other medical reports classified as "No apparent disease or defect" are valid for 6 months after the doctor's signature date. In that case, you would be required to renew the examination and submit an updated medical report to our office before you receive your visa.

VACCINATION REQUIREMENTS

United States Immigration Law requires immigrant visa applicants to obtain certain vaccinations (listed below) prior to the issuance of an immigrant visa. Instructions and procedural guides direct panel physicians who conduct immigrant visa medical examinations to verify that applicants have met the vaccination requirement, or that it is medically inappropriate for the visa applicant to receive one or more of the listed vaccinations:

Mumps, Measles, Rubella, Polio, Tetanus and Diphtheria Toxoids, Pertussis, Influenza Type B (H1N1), Hepatitis A, Hepatitis B, Varicella, Pneumococcal, Influenza, Rotavirus, Meningococcal.

In order to assist the panel physician, and to avoid delays in the processing of an immigrant visa, all immigrant visa applicants should have their vaccination records available for the panel physician's review at the time of the immigrant medical examination. Visa applicants should consult with their regular health care provider to obtain a copy of their immunization record, if one is available. If you do not have a vaccination record, the panel physician will work with you to determine which vaccinations you may need to meet the requirement. Certain waivers of the vaccination requirement are available upon the recommendation of the panel physician. Only a physician can determine which of the listed vaccinations are medically appropriate for you, given your age, medical history and current medical condition.

POLICE CERTIFICATE

Police certificates are required for each visa applicant aged 16 years or older. Generally, you must apply for these certificates directly from police authorities in the district in which you reside. You must submit a police certificate from the country in which you currently live (if you have lived there for more than six months). If you lived in a different country for more than 12 months after the age of 16, you must also submit a police certificate from that country. If you were arrested or convicted of a crime in a country, regardless of your age at the time the crime took place, or how long you resided in that country, you must submit a police certificate from that country. The police certificate must cover the entire period of the applicant's residence in that area, and state what the appropriate police authorities records show concerning each applicant, including all arrests, the reason for the arrest(s), and the disposition of each case in which there is a record.

Present and former residents of the United States should NOT obtain police certificates covering their residence in the U.S.

Police certificates are required from Turkey. Turkish nationals should contact the closest "Cumhuriyet Savcılığı" (Public Prosecutors Office) to obtain Turkish police certificates. Police Certificates from Turkey are known as "Adli Sicil Kaydı". **IMPORTANT: When requesting the police certificate (adli sicil kaydi), applicants must specifically request that both the current and archived records be shown on the document.**

Police certificates are not required from Iran or any country on the following list:
