### Assonance Exercise

Create assonance by circling the appropriate word from the choices given. Remember, assonance occurs when the vowel sound within a word matches the same sound in another word, but the surrounding consonant sounds are different.

EXAMPLE:

**Ice**      a. gift      b. fight      c. icicle      d. indeed

- |                   |            |             |           |            |
|-------------------|------------|-------------|-----------|------------|
| 1) <b>Purple</b>  | a. hunk    | b. chuckle  | c. dirt   | d. wart    |
