## Why pay by Direct Debit?

The great majority of Prospect members now pay their subscriptions by direct debit. The simplicity and convenience of direct debit give it obvious advantages over check-off:

- most employers charge Prospect a fee for operating check-off
- members must give their consent in writing to their employer for check-off deductions to be paid from salary
- direct debit payments are passed direct to Prospect, without delay and at far lower cost than check-off.

Direct debit enables you to pay monthly through your bank account with no further need to sign or return forms to your employer. For Prospect, direct debit is simpler, cheaper and quicker to operate than check-off. And there are important safeguards for members provided by the direct debit guarantee.

Please fill in the attached Direct Debit Instruction form and send it to us. We will forward the form to your bank who will then authorise payment from your bank account.

### THE DIRECT DEBIT GUARANTEE

The Guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme.

- If the amounts to be paid or the payment dates change, Prospect will notify you 10 working days in advance of your account being debited or as otherwise agreed.
- If an error is made by Prospect or your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid.
- You can cancel a direct debit at any time by writing to your bank or building society. Please also send a copy of your letter to us.
