Part B: Short Answer: Instructions: Answer the question below.

1. What were some actions taken by Germany that turned American support toward the Allies and against the Central Powers?

There were a couple of actions taken by Germany that turned America away from supporting them in World War I. First, Germany began to aggressively use submarine warfare with their U-Boats. Sinking the Lusitania, that had 128 Americans on board, angered the USA. Second, Germany sent out the Zimmerman Note asking Mexico to attack the USA.
