Voluntary Petition for Individuals Filing for Bankruptcy

12/15

The bankruptcy forms use *you* and *Debtor 1* to refer to a debtor filing alone. A married couple may file a bankruptcy case together—called a *joint case*—and in joint cases, these forms use *you* to ask for information from both debtors. For example, if a form asks, "Do you own a car," the answer would be *yes* if either debtor owns a car. When information is needed about the spouses separately, the form uses *Debtor 1* and *Debtor 2* to distinguish between them. In joint cases, one of the spouses must report information as *Debtor 1* and the other as *Debtor 2*. The same person must be *Debtor 1* in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

Part 5:

Explain Your Efforts to Receive a Briefing About Credit Counseling

 Tell the court whether you have received a briefing about credit counseling.

The law requires that you receive a briefing about credit counseling before you file for bankruptcy. You must truthfully check one of the following choices. If you cannot do so, you are not eligible to file.

If you file anyway, the court can dismiss your case, you will lose whatever filing fee you paid, and your creditors can begin collection activities again.

About Debtor 1	Α	bo	ut	De	bt	or	1	
----------------	---	----	----	----	----	----	---	--

You must check one:

☐ I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

☐ I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, but I do not have a certificate of completion.

Within 14 days after you file this bankruptcy petition, you MUST file a copy of the certificate and payment plan, if any.

☐ I certify that I asked for credit counseling services from an approved agency, but was unable to obtain those services during the 7 days after I made my request, and exigent circumstances merit a 30-day temporary waiver of the requirement.

To ask for a 30-day temporary waiver of the requirement, attach a separate sheet explaining what efforts you made to obtain the briefing, why you were unable to obtain it before you filed for bankruptcy, and what exigent circumstances required you to file this case.

Your case may be dismissed if the court is dissatisfied with your reasons for not receiving a briefing before you filed for bankruptcy.

If the court is satisfied with your reasons, you must still receive a briefing within 30 days after you file. You must file a certificate from the approved agency, along with a copy of the payment plan you developed, if any. If you do not do so, your case may be dismissed.

Any extension of the 30-day deadline is granted only for cause and is limited to a maximum of 15 days.

Active duty. I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court.

For you if you are filing this bankruptcy without an attorney

If you are represented by an attorney, you do not need to file this page. The law allows you, as an individual, to represent yourself in bankruptcy court, but you should understand that many people find it extremely difficult to represent themselves successfully. Because bankruptcy has long-term financial and legal consequences, you are strongly urged to hire a qualified attorney.

To be successful, you must correctly file and handle your bankruptcy case. The rules are very technical, and a mistake or inaction may affect your rights. For example, your case may be dismissed because you did not file a required document, pay a fee on time, attend a meeting or hearing, or cooperate with the court, case trustee, U.S. trustee, bankruptcy administrator, or audit firm if your case is selected for audit. If that happens, you could lose your right to file another case, or you may lose protections, including the benefit of the automatic stay.

You must list all your property and debts in the schedules that you are required to file with the court. Even if you plan to pay a particular debt outside of your bankruptcy, you must list that debt in your schedules. If you do not list a debt, the debt may not be discharged. If you do not list property or properly claim it as exempt, you may not be able to keep the property. The judge can also deny you a discharge of all your debts if you do something dishonest in your bankruptcy case, such as destroying or hiding property, falsifying records, or lying. Individual bankruptcy cases are randomly audited to determine if debtors have been accurate, truthful, and complete. Bankruptcy fraud is a serious crime; you could be fined and imprisoned.

If you decide to file without an attorney, the court expects you to follow the rules as if you had hired an attorney. The court will not treat you differently because you are filing for yourself. To be successful, you must be familiar with the United States Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, and the local rules of the court in which your case is filed. You must also be familiar with any state exemption laws that apply.

Using the property you listed on *Schedule A/B: Property* (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of *Part 2: Additional Page* as necessary. On the top of any additional pages, write your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions—such as those for health aids, rights to receive certain benefits, and tax-exempt retirement funds—may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.

Pa	Part 1: Identify the Property You Claim as Exempt								
 Which set of exemptions are you claiming? Check one only, even if your spouse is filing with you. ☐ You are claiming state and federal nonbankruptcy exemptions. 11 U.S.C. § 522(b)(3) ☐ You are claiming federal exemptions. 11 U.S.C. § 522(b)(2) 									
2.	For any property you list on Schedule A/B th	pt, fill in the information below.

To find the IRS standards, go online using the link specified in the separate instructions for this form. This information may also be available at the bankruptcy clerk's office.

Deduct the expense amounts set out in lines 6-15 regardless of your actual expense. In later parts of the form, you will use some of your actual expenses if they are higher than the standards. Do not deduct any amounts that you subtracted from your spouse's income in line 3 and do not deduct any operating expenses that you subtracted from income in lines 5 and 6 of Form 122A–1.

If your expenses differ from month to month, enter the average expense.

Whenever this part of the form refers to you, it means both you and your spouse if Column B of Form 122A-1 is filled in.

5. The number of people used in determining your deductions from income

Last Name

Fill in the number of people who could be claimed as exemptions on your federal income tax return, plus the number of any additional dependents whom you support. This number may be different from the number of people in your household.

National Standards

You must use the IRS National Standards to answer the guestions in lines 6-7.

6. **Food, clothing, and other items:** Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for food, clothing, and other items.

7. **Out-of-pocket health care allowance:** Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for out-of-pocket health care. The number of people is split into two categories—people who are under 65 and people who are 65 or older—because older people have a higher IRS allowance for health care costs. If your actual expenses are higher than this IRS amount, you may deduct the additional amount on line 22.

III. Classification of Claims and Valuation of Secured Property

Each holder of an allowed secured claim, which is paid during the life of the plan and for which the collateral is not surrendered, shall retain the lien securing the claim until the earlier of: (1) payment of the underlying debt as determined under non-bankruptcy law; or (2) discharge. Should this case be dismissed or converted before the plan is completed, the lien securing an allowed secured claim shall be retained by the holder to the extent recognized by non-bankruptcy law.

The Debtor proposes the following treatment for Class Two claims: Unless a Class Two debt is paid in full in the plan, Class Two claims (home mortgages) are to be paid as long term debts and are excepted from discharge pursuant to § 1328(a)(1). Notification of Payment Changes for Class Two Claims Being Paid Through the Trustee In the event of any change in the amount of the monthly mortgage payments pursuant to the terms of the mortgage agreement, the creditor shall file with the Clerk, and serve upon the Debtor and Debtor's counsel, a Notice of Payment Change. Upon the filing of a Notice of Payment Change, the Trustee will change the monthly payment amount. Treatment of Arrearage on Class Three claims. The pre-petition arrearage must be paid through the Trustee and will be paid in the plan at 0% interest unless otherwise ordered by the court. The arrearage amount listed is an estimate and is subject to change based upon a Creditor's timely filed and allowed secured claim. The monthly payment amount on the arrearage debt is to be determined by the Trustee.

Claim #	Lien Holder	Collateral	Amount of Arrearage

Option 3: Modification of Creditor's Claim Except as Provided in 11 U.S.C. § 506. Claims that are modified in a Chapter 13 plan must be paid through the Chapter 13 trustee. Both the arrearage amount and the remaining principal balance are paid at the prime rate in effect on the petition date, plus 2 percentage points, unless a different rate is stated. The total amount of interest to be paid in the Plan may be determined by the following formula: Total Interest = Principal x (Rate of Interest x Number of Years). The monthly payment amount is to be determined by the Trustee. The Trustee may pay the interest, secured principal and arrearage amount on an amortized basis over the life of the plan, and, thus, the total amount of interest may vary from the amount calculated.

Claim #	Creditor	Collateral	Total Owed (including arrearage)	Interest Rate	Number of Proposed Plan Payments	Total Paid in Plan Through the Trustee

Option 4: Open. The Debtor proposes the following treatment for Class Three claims:						

This Plan does not value claims. To value a claim pursuant 11 U.S.C. § 506, the Debtor must file and serve a separate motion on the affected creditor(s) pursuant to Fed. R. Bankr. P. 3012, 7004, 9014(b). The information provided under Class Four of this Plan is for information purposes only, and the Debtor's valuation stated herein is subject to change, without the need to modify the plan, based on the resolution of the Debtor's motion to value. If the motion to value is granted, the Trustee shall pay allowed secured claims based on the value of the collateral as indicated in the order granting the motion, in full, over the duration of the plan. The Trustee will pay interest on the secured portion of the claim at the prime rate in effect on the petition date, plus 2 percentage points, unless a different rate is stated. The total amount of interest to be paid over the life of the Plan may be determined by the following formula: Total Interest = Principal x (Rate of Interest x Number of Years). The monthly payment amount is to be determined by the Trustee. The Trustee may pay the interest, secured principal and arrearage amount on an amortized basis over the life of the plan, and, thus, the total amount of interest may vary from the amount calculated. The actual amount and timing of the payment(s) on the secured portion of the claim are subject to the discretion of the Trustee. The amount of the creditor's claim in excess of the Debtor's valuation for the collateral shall be treated in Class Six as an unsecured claim if the creditor timely files a proof of claim. If an order is entered treating the claim as wholly unsecured then the creditor's lien will be avoided pursuant to 11 U.S.C. § 506 on entry of discharge.

The Debtor is the owner of the property serving as collateral, is aware of its condition, and believes that its value is as set forth below. If the Debtor's separately filed motion to value is granted, the affected creditor(s) will receive the following treatment in the Debtor's plan:

CL	ASS FIVE:	Secured	Collateral to	be Surrendere	d or Sold

[] There are no Class Five claims
Γ	1 There are Class Five claims.

The Debtor proposes to surrender or sell the following collateral:

Claim #	Creditor	Collateral	Amount Owed	Debtor's Valuation of the Collateral	Indicate if Surrendered or to be Sold	Time to complete sale, if applicable

For property the Debtor proposes to sell, a separate Motion and proposed Order must be filed which provide the details of the sale. Court approval also must be obtained for the hire and use of a professional to sell property. After the payment of secured debts and the costs of sale, all net proceeds shall be paid to the Trustee for distribution. Property to be sold by the Debtor that is not sold in the applicable time period will be surrendered to the creditor unless the Trustee requests additional time, or unless the Debtor modifies the plan to retain the collateral and cure existing defaults. A secured creditor entitled to a deficiency claim must file that claim within 90 days of the date that the real or personal property is surrendered by the Debtor, or within 30 days of a sale that is conducted by the Debtor. After the payment of secured debts and the costs of sale, a report accounting for the sale shall be made and all net proceeds shall be paid to the Trustee for distribution.

CLASS SIX: Timely Filed and Allowed Non-Priority Unsecured Claims.

Class Six claims will be paid pro rata. The Debtor estimates that Class Six claims will receive _____% of their claims. Payment of any dividend will depend on the amount of secured and priority claims allowed and the total amount of all allowed unsecured claims. No payment will be made until unsecured priority claims are paid in full, and no payment will be made on Scheduled claims unless a proof of claim is filed.

The value as of the effective date of the plan of property to be distributed in the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate of the Debtor was liquidated in Chapter 7 of the Bankruptcy Code on that date. The percentage distribution to general unsecured creditors in Chapter 7 is estimated to be ______%, as shown on Exhibit A attached hereto.

CLASS SEVEN: Executory Contracts / Unexpired Leases

The following executory contracts and/or leases are held by the Debtor. The treatment of each lease/contract is set forth below. The Debtor shall surrender any property covered by rejected executory contracts or leases to the affected creditor no later than the date this plan is confirmed.

Claim #	Creditor	Indicate if Assumed or Rejected and identify the item leased	Monthly payment (Indicate if payments will be made in the plan (Y/N)	Arrearage amount	Total Paid in Plan Through the Trustee

CLASS EIGHT: Post-Petition Claims Under Bankruptcy Code § 1305.

Unless a timely objection is filed, post-petition claims allowed under § 1305 shall be paid, in full, in equal monthly installments. Payments shall commence no later than 30 days after the filing of the claim, and conclude on or before the date of the last payment in the Plan, unless otherwise ordered by the Court.

Unless a separate motion is filed, this plan does not operate to avoid the liens and claims will be treated according to their filed proofs of claims. Otherwise an adversary proceeding must be filed to contest whether a lien is enforceable or not. The Debtor may at a later date seek to avoid a judicial lien held by a creditor not listed below. The Debtor discloses the intention to avoid liens held by the following creditors:
