

Buena Vista Learning Community Teacher Recommendation

Buena Vista Elementary School

The Buena Vista Learning Community is a non-traditional group of learners with varying ages, backgrounds, needs and abilities. Our program consists of a Primary classrooms (1st and 2nd grade students) and Intermediate classrooms (3rd, 4th, and 5th grade students). Parent participation helps to facilitate small group instruction and enrich curricular opportunities. Students' social/emotional growth and leadership skills are emphasized as they take responsibility for their own learning. Field trips, guest speakers, project work, centers, and inquiry-based instruction are also integral parts of the program.
