Term 3 Week 5

From the Principal's Desk

Welcome to week 5.

Congratulations to the students who have participated in the University of NSW competitions this year. We have had some excellent results and I am pleased to see the growing number of students who are willing to have a go at these difficult tests! We have had a large number of students participate in sporting events over the last few weeks and I am once again very pleased with the positive comments I have received about the behaviour and great sportsmanship shown by the children. It is wonderful to see our children consistently representing our school with pride and being wonderful ambassadors for the West Wyalong Public School badge!

Thank you to Mrs Charpentier who has organised the theatre excursions for all students this year- it is an amazing opportunity for the students to see live theatre and I am confident that the experience will be thoroughly enjoyable and will be remembered for a long time!!

Enjoy your week!

Regards,

Lyn Barnes
Principal.

Our school is now accepting
enrolments for Kindergarten 2016.

Digital Technologies Competition

Congratulations to all students who participated in the UNSW Digital Technology Competition. The following students received outstanding results:

Netball Schools Cup

On Tuesday the 4th of August Tiarne, Jess G, Jess M, Chloe, Makayla, Aimee, Paige, Charlotte and Eloise travelled to Wagga Wagga to play in the Schools cup. All our players displayed fantastic sportsmanship and the day was full of laughs and fun, even though it was freezing!

After playing four games of netball, the girls overall came second in their pool.

I would like to take this opportunity to say a big thank you to all the parents that were able to take their child to Wagga and transported other students. A big thank you to our fabulous umpires for the day: Michelle Whiley and Melissa Ryan. Another thank you to Melissa for organising the uniforms for the girls, the girls and I really appreciated it.

I am so proud of each of the girls for their dedication to training and for always displaying great sportsmanship! I really enjoyed working with the girls and watching how far their skills have improved!

Emma Cummins

Netball coach/manager

Trent Barrett Shield

Boys/Girls Rugby League

On Wednesday 5th August 2015, two teams travelled to Temora to participate in the Trent Barrett Shield Competition.

On a raining and freezing cold day our students are to be commended on their excellent behaviour and sportsmanship. This group of students really demonstrated the values that we endeavour to instil in them at West Wyalong Public School.

The boy's results are as follows:

West Wyalong 1 v's June Public School~ two tries to one (June's way)

West Wyalong 1 v's St Mary's West Wyalong~ one try to nil. (WWPS way)

West Wyalong 1 v's Ungarie~ won by a convincing lead (10 tries to 6)

West Wyalong Team One came 2nd in their pool.

West Wyalong 2 v's St Anne's Temora ~ Won by a convincing lead.

West Wyalong 2 v's Coolamon~ lost by one try

Semi-finals: West Wyalong 2 v's Young ~ lost

West Wyalong Team Two came 2nd overall in their pool.

Congratulations to Ava Lem on and Max Harland who were named player's player on the day. I am so very proud of you all and it was an absolute pleasure accompanying you on such a fantastic day for our school I would also like to sincerely thank Mr Adam Davies for organising and coaching our boys/girls. We really appreciate the time you have taken to ensure our students have a great time competing and teaching them some of the finer aspects of the game.

A big thank you must also go to our parent drivers and supporters on the day; we loved having our number one supporters there to cheer us all on.

Miss Cummins

L2 Literacy

L2 Literacy is an intervention program new to our school. The aim of this program is to improve student comprehension, writing and reading. Last week, we read the book *Edward and The Great Discovery*, by Rebecca McRitchie and Celeste Hulme.

It was a great story about a boy called Edward and how he wants to be like his parents and grandparents. They are Archaeologists. Find out what Brooke and Callan learnt about Archaeologists. Brooke and Callan started by researching the meaning of an Archaeologist in the online dictionaries, next they looked at images of Archaeologist. By looking at many pictures Brooke and Callan built a word bank of many words and then wrote a report.

Report – Archaeologist

General Statement – A science that deals with past human life and activities by studying the bones, tools, etc. of ancient people (Dictionary Online).

Description 1

Equipment and Tools – An Archaeologist uses a shovel, grate, buckets, brush, scraper, microscope and a ladder because that helps them find olden day things.

Description 2

Archaeologists are going to discover the skeletons and treasures of past human life. They use the magnifying glass to get clues to teach others so they can learn.

Description 3

They might find a city and money because in the city at the shops they pay and give away their money to pay for their lettuce, soup, vegetables and water.

By Brooke Smith

Report – Archaeologist

General Statement – A science that deals with past human life and activities by studying the bones, tools, etc. of ancient people (Dictionary Online).

Description 1

Archaeologist may find a big city, money or skeletons underground. They may also find skulls, bones, pots to carry water and special rocks that tell them how long they have been down there.

Description 2

They use their shovels to find a bit of gold and special rocks. They might find diamonds. They can use diamonds to make rings and things that you can buy.

Description 3

They may teach others and they may even help others. They discovered a lot of treasure in the ground and get a record of gold and may find iron in the ground. They can get a lot of gold coins in the ground.
