Accessible information

We want to make sure our information is accessible for everyone.

English

We want to make sure our information is accessible for everyone

We can provide information in:

- audio • Braille • British Sign Language (BSL)
- Easy Read (using pictures and words)
- large print • overseas languages.

If you need an interpreter we can arrange this for you.

In our Community Hospitals, the Butterfly Scheme is available for anyone who has dementia or memory problems. Please ask us about the Butterfly Scheme so we can help.

Lithuanian

Mes norime užtikrinti, kad mūsų informacija būtų prieinama visiems

Informaciją galime pateikti šiais būdais:

- garso įrašų • Brailio raštu • Britų gestų kalba (BSL)
- lengvai skaitomą būdą (su paveikslėliais ir žodžiais)
- didelėmis raidėmis • užsienio kalbomis.

Jei Jums reikalingas vertėjas žodžiu, galime užsakyti šias paslaugas.

Mūsų bendruomenės ligoninėse veikia „Drugelio“ programa (angl. Butterfly Scheme) visiems asmenims, sergantiems demencija ar turintiems atminties sutrikimų. Kreipkitės į mus dėl išsamesnės informacijos apie „Drugelio“ programą, kad galėtume Jums padėti.

Czech

Chceme, aby naše informace byly dostupné pro každého

Můžeme poskytnout informace ohledně následujících:

- audio • Braillovo písmo • Britský znakový jazyk (BSL)
- Snadné čtení (pomocí obrázků a slov)
- velkoplošný tisk • zahraniční jazyky.

Pokud potřebujete tlumočnicka, můžeme to pro Vás zařídit.

V našich obecních nemocnicích Schéma motýl je k dispozici Schéma motýl a to pro každého, kdo má demence nebo problémy s pamětí. Zeptejte se nás na Schéma motýl, tak abychom Vám mohli pomoci.

Polish

Staramy się, aby informacje przekazywane przez nas docierały do wszystkich

Informacje możemy udostępnić w następującej formie:

- nagrania audio • zapisane alfabetem Braille'a
- zapisane w brytyjskim języku migowym (BSL)
- zapisane łatwym językiem (obrazki i słowa)
- zapisane dużym drukiem • w innych językach.

Mamy także możliwość zaaranżowania pomocy tłumacza ustnego.

W naszych lokalnych szpitalach prowadzimy program Motyl (Butterfly Scheme), który jest ukierunkowany na pomoc osobom z demencją oraz problemami z pamięcią. Dalszych informacji na temat programu Butterfly udzielamy na miejscu.

Slovak

Chceme sa uistiť, že naše informácie sú dostupné každému

Informácie môžeme poskytnúť v:

- Zvukovom formáte • Braillovom písme
- Britskej posunkovej reči (BSL)
- Lahko čitateľnom písme (použitím obrázkov a slov)
- Veľkom písme • Cudzích jazykoch.

Ak potrebujete tlmočníka, môžeme Vám ho zabezpečiť.

V našich miestnych nemocniciach je dostupný program Butterfly pre všetky osoby s demenciou alebo problémami pamäti. Informujte sa, prosím, u nás na program Butterfly a môžeme Vám pomôcť.

Для нас важно, чтобы информация была доступна всем

Мы можем предоставить информацию в любом из указанных ниже форматов:

- аудио • Брайль • Судоперевод
- Упрощенный текст (с картинками и простыми словами) • Крупный шрифт
- На иностранных языках.

При необходимости мы можем организовать для вас услуги переводчика.

В наших муниципальных больницах программа "Бабочка" работает на благо каждого пациента с проблемами потери памяти и сниженной умственной способности. Просьба обращаться за информацией о схеме "Бабочка", чтобы мы могли оказать вам помощь.

Turkish

Bilgilerimizin herkes için erişilebilir olmasını temin etmeyi arzu ediyorumuz

Şu şekillerde bilgi tedarik edebiliriz:

- ses kaydı • kabartma Braille alfabesi
- Britanya İşaret Dili (BSL)
- Kolay Okunabilir (resimler ve kelimeler kullanarak)
- büyük baskılı • yabancı lisanslarda.

Eğer bir tercümana ihtiyacınız varsa bunu sizin için ayarlayabiliriz.

Butterfly Scheme (Kelebek Uygulaması) isimli uygulama Toplumsal Hastanelerimizde demans hastalığı ya da hafıza sorunları yaşamakta olan herkes için açıktır. Bu konuda yardımcı olabilmemiz için lütfen Butterfly Scheme isimli uygulama hakkında bize danışın.

Punjabi

ਮਸੀਂ ਦਰਬੀਰੀ ਬਣਾਉਣਾ ਚਾਹੁੰਦੇ ਹਾਂ ਕਿ ਸਾਡੀ ਜਾਣਕਾਰੀ ਸਭ ਲਈ ਪਹੁੰਚਯੋਗੀ ਹੋਵੇ।

- ਸੁਣਨ ਵਾਲਾ ਰੂਪ • ਭ੍ਰਿਲ (ਭ੍ਰਿਲੋਗ ਵਾਲੀ ਉੱਚੀ ਅੱਖਰ)
- ਭ੍ਰਿਲੋਗ ਨਾਲੋਂ ਸਰਲ (ਐ.ਐਸ.ਐਸ.) (British Sign Language (BSL))
- ਸੌਖੀ ਪੜ੍ਹਨ (Easy Read) (ਸਰਲ ਅਤੇ ਸਮਝ ਵਾਲਾ ਐ)
- ਵੱਡੀ ਖਾਨਦੀ • ਵਿਦੇਸ਼ੀ ਭਾਸ਼ਾਵਾਂ

ਜੇ ਤੁਹਾਨੂੰ ਅਨੁਵਾਦੀ ਦੀ ਸੇਵਾ ਚਾਹੀਦੀ ਹੈ ਤਾਂ ਸਾਡੀ ਟੀਮ ਨੂੰ ਆਪਣੇ ਸਹਾਈ ਪੁੱਛੋ ਅਤੇ ਸਮਝੋ।

When you arrive

Sheppey Community Hospital served the community from its old site since the 1930's. Following a Capital Build Programme, the new Community Hospital opened in October 2002.

We hope this booklet will help during your stay. If it does not cover everything you need to know we are happy to answer any questions.

The community hospital aims to promote your health, wellbeing and independence in a clean, safe and friendly setting.

If you are in pain, are unable to eat or drink or need support going to the toilet please ask us for help.

It is our responsibility to assure you and your relatives, friends and carers that during your stay you are treated with compassion, respect and dignity.

From the time you arrive at the hospital all the staff, including nurses, doctors and therapists will be working together as one team. They will make decisions with you and provide a high standard of care and treatment. We will set achievable goals with you and work towards you being able to leave the hospital.

We will set an estimate date for you to leave. You can write it here:

.....

We will start planning your discharge as soon as you arrive. This means we are able to quickly identify and resolve any problems that may delay you leaving.

Setting a date will allow the team to ensure that your discharge is well planned.

If there is anything we can do make your stay with us better please talk to us.

Outpatient appointments

Please do not cancel any of your outpatient appointments without talking to us first.

My care

When you arrive at the hospital we will introduce you to your named nurse. They will plan, evaluate and supervise your care.

My named nurse is:.....

When your named nurse is not here another member of the team will always be able to help.

Your care is managed by a GP. They will visit the ward during the week but if you become ill outside of this time we will arrange for the doctor to visit you.

My doctors names are:

.....

.....

They visit the ward on:

Monday

Wednesday

Friday

If applicable, soon after you arrive you will be seen and assessed by physiotherapy and/or occupational therapy (OT) staff. They are here during the week but are not available at weekends or on bank holidays.

They will talk to you and plan leaving the hospital with you. If it is appropriate, they will plan a rehabilitation or exercise programme with you.

We can make sure your family, friends or carers are involved if you would like them to be.

Who is looking after me?

Write the names of the people looking after you here:
See page 9 for a handy guide to our uniforms.

What will I need during my stay?

You will need several things during your stay. You might need to ask a family member, friend or carer to bring them for you.

Use the checklist below to make sure you have everything you need.

- Medication
– please make sure you have everything you take, including vitamins etc
- Clothes – you will be encouraged to dress every day. You will need:
 - Comfortable leisure wear
 - Day clothes
 - Pyjamas or other nightwear
 - Dressing gown
 - Slippers – make sure they fit well so you do not slip
- Soap
- Shower gel
- Deodorant
- Moisturiser
- Bath towel
- Flannel or sponge
- Tissues and hand wipes
- Shampoo
- Hairbrush and/or comb
- Shaving products
– razor, shaving gel etc
- Books and magazines
- Glasses
- Hearing aid
- Walking aid
– such as a stick
- Bottle of squash

Storage

Storage is very limited so please only bring essential clothing which is clearly marked with your name. We are unable to wash clothes so please ask a family member, friend or carer if they can do this for you.

It is best that you **do not** bring the following items:

- large amounts of money
- debit or credit cards
- television
- radio
- alcohol
- illegal drugs (see page 10 about medication)
- hairdryer.

Valuable items

If you do have any valuable items please tell us so that we can put them in the safe. We will give you a receipt. If you would like to get something out of the safe please ask us.

If you ask us to put money in the safe we will bank this and provide you with a cheque on request.

We are unable to accept any responsibility for damage or loss of personal items. You may be asked to sign a disclaimer when you arrive at the hospital.

Our uniforms...

We know it can be hard to remember who is who so below is a guide to our uniforms. You can write the names of the people looking after you on page 6.

Matron

(black with white piping)

**Ward sister/
clinical sister**

(navy with white piping)

Staff nurse

(blue with white piping)

Healthcare assistant

(lilac with white piping)

Ward clerk

(burgundy with white piping)

Physiotherapist

(white with blue piping)

Occupational therapist

(white with green piping)

**Support/
hotel services**

(green striped with green piping)

Medication

When you arrive at the hospital we will ask you about any medication you have been taking at home. Your doctor may have asked you to bring your medication with you to the hospital.

If you have your medication or prescription with you please give it to a member of staff.

If you were previously in another hospital your medication will be sent to you here.

Please do not take any other medication without asking first as it could be dangerous.

We will give you your medication on our regular drug rounds as prescribed by your doctor.

Managing your pain

We will assess your pain with you and give you additional pain relief if you need it.

If your pain is not being controlled, and you live in east Kent, we may be able to refer you to our Community Chronic Pain Service. Please ask us, see page 29 for their contact details, ask your GP or contact our Customer Care Team on 0300 123 1807.

If you are in pain please tell us.
Please do not wait until we ask.

Food

Meal choices

We aim to provide safe, high quality, healthy, nutritious and balanced meals.

A choice of meals is served a number of times a day on the ward and we encourage you to eat in the dining room whenever possible.

There is a menu booklet by your bed if you would like to look at the choices.

We will ask you to complete a menu. You can tell us what you like, what you don't like and what portion size you'd prefer.

Snacks and drinks

A range of snacks, fresh fruit, light meals and drinks are available **24 hours a day**. Please ask if you would like something.

A choice of hot and cold drinks are also provided at set times throughout the day. Fresh water is always available by the side of your bed.

Hot food

If hot food is brought in for you it should be brought in a thermal container and eaten within **30 minutes** of arrival.

We are not able to reheat food that has been brought in by visitors.

Cold food

We cannot store cold food at a safe temperature. This means we cannot be sure the food is safe to eat.

If cold food is brought in for you please make sure it is brought in a cool box and is eaten within **one hour** of arrival.

Dietary requirements

If you have specific dietary requirements, such as food allergies, are vegetarian or have requirements relating to your culture or religion please let a member of staff know.

We are able to provide food to meet requirements, such as Halal or Kosher food. This will not be cooked at the hospital.

If you or your family, friends or carer are concerned about how we meet your cultural or religious requirements please let us know.

Special diets to meet clinical needs can also be provided if your dietitian recommends it.

If you feel unable to eat and/or drink, please tell us so we can help.

If there are clinical reasons why you are not allowed to eat and/or drink a member of staff will explain this to you.

If we agree that your visitors can temporarily bring food in for you they will be asked to meet the requirements under hot food and cold food.

Meal times

Meal times are protected. This means that during this time all other activities on the ward will stop. Staff and volunteers will be available to serve food. Staff can help people to eat if needed.

Meal times

BREAKFAST

8am to 8.30am

LUNCH

12.30pm to 1pm

SUPPER

5.30pm to 6pm

Visiting during meal times

We ask visitors to come during visiting times, unless this has been arranged with staff. However, if you usually have a visitor at mealtimes to help you eat we are very happy for this to be arranged, following discussion with the nurse in charge.

Suggestions

If you have any suggestions or ideas about the food please tell us so we can tell the catering team.

Visitors

Large groups of visitors may be very tiring for you so we recommend people visit in a group of up to three.

Flowers

Flowers are **not** allowed on the ward.

Gifts

Visitors are welcome to bring small gifts such as, magazines or puzzle books for you. Please ask them not to bring large gifts or anything expensive as we are unable to accept responsibility for damage or loss of personal items.

Food

We prefer visitors not to bring in food, however, please see pages 11 and 12 for more information.

Parking

Please see page 26 for more information on transport, including parking at the hospital.

Visiting times

Visitors are always welcome between:

2.30pm to 5pm
and 6.30pm to 8pm
or by arrangement with staff.

Falls awareness

Some patients can fall whilst in hospital, often injuring themselves. This is thought to be because the layout of the ward and the environment is unfamiliar.

We will:

- ✓ make sure the environment is safe
- ✓ assess your mobility needs when you arrive
- ✓ make sure all staff follow our policies and guidelines, and use moving and handling aids, such as hoists, to assist you if necessary
- ✓ make sure staff explain how to use equipment
- ✓ make sure staff explain how the equipment works.

To help, you should:

- ✓ ask staff for help if you need it
- ✓ use your call bell and wait for help if needed
- ✓ leave plenty of time to get to the toilet – ask for help if you are unsteady and wait for help to get off the toilet if you need it. If you are not confident to walk alone during the night and need a commode or urinal bottle please ask us
- ✓ tell us if you feel faint, dizzy or unwell
- ✓ work with us to improve your strength and balance if needed
- ✓ use your walking aids if you have any. We can ask a therapist to check them and make sure they are safe
- ✓ always wear well-fitting shoes or slippers when walking
- ✓ wear your hearing aid, if you have one
- ✓ wear your glasses, if you need them
- ✓ rest when you are tired
- ✓ eat and drink regularly (see pages 11 to 12 for information about food)
- ✓ let us know if you see any hazards, such as spills

- ✓ put your bedside lamp on if you need to get up at night
- ✓ keep your bed area tidy and free from clutter.

DO NOT:

- ✗ try and get off the toilet, bed or chair without help if you are unsteady or feel dizzy – we are here to help
- ✗ walk around in socks or stockings as these can cause you to slip
- ✗ take sleeping tablets as these can make you drowsy and cause you to fall – talk to us if you are having trouble sleeping
- ✗ worry about asking us for help – we are never too busy to help keep you safe.

How can family, friends and carers help?

They can help by:

- ✓ keeping the bed area tidy and free from clutter
- ✓ bringing in shoes and slippers which fit well and fasten up
- ✓ bringing in glasses, hearing aids, walking aids, and encouraging you to use them
- ✓ encouraging you to eat and drink. If they would normally help at meal times we are happy for them to visit during this time (see pages 11 to 12 for information about food)
- ✓ observing the visiting times and only visiting during these hours.

Falls assessment

We work hard to make sure that all patients have their risk of falling reduced as much as possible. When you arrive at the hospital we may ask you a few questions which will help us identify your risk of falling. We will look at how you walk and how you get up from the chair or bed. We will also look at your feet and the shoes or slippers you wear.

Falls care plan

The physiotherapist will use the falls care plan to ensure that all areas that may contribute to you having a higher risk of falls are reviewed.

This includes:

- medication
- blood pressure
- fear of falling
- vision and hearing problems
- cognition
- walking and balance
- footwear
- footcare
- environmental factors
- falls from a height
- continence.

Colours Reducing Falls

You may notice that your walking aid has a coloured indicator to help us know how much assistance you need.

- Red** Assistance of two people required with all mobility
- Yellow** Assistance of one person required with mobility
- Green** Independent with mobility

Privacy and dignity

We understand that being in hospital is not an easy time so we are committed to maximising your privacy and dignity whilst you stay here.

You can expect to be:

- ✓ treated with respect and dignity by all staff, all the time
- ✓ introduced to the ward environment if you need to stay and given this booklet
- ✓ introduced to staff who are treating you and consent to that treatment with family, friend or carer involvement if you wish
- ✓ able to identify staff by their badges which must be worn at all times
- ✓ provided with opportunities for improved communication in response to individual needs wherever possible, for example, hearing loop, interpreter or information in another format
- ✓ involved and encouraged to participate in your care plan which will reflect your individual needs and choices
- ✓ referred to by your title of choice and have this documented in your records and/or care plan
- ✓ listened to and treated as an individual, and have your cultural and spiritual needs identified, respected and documented in your care plan
- ✓ able to tell us your views, which will be welcomed and be supported to make complaints or compliments.

Handovers

Handovers are held at approximately:

7.30am and
12.30pm and
8pm

So that we can respect your privacy staff hold handovers in private. Handovers update colleagues changing shifts so they have all the information they need to give you the best care.

Infection control

Infection control and keeping all areas of the hospital clean and clutter free is one of our top priorities. As a patient at the hospital we ask that you help us maintain our high standards.

Please ask visitors to use the chairs provided and not to sit on your bed. If your visitor is unable to find a chair please ask a member of staff for help.

If at any time during your stay you become ill with an infection that could be passed on to other patients or visitors we will take precautions to prevent the spread of infection. This may include moving you to a side room where a member of staff will care for you. Please do not be alarmed by this, it is for the protection of our patients and visitors.

If at any time you are unhappy with the cleanliness at the hospital please tell a member of staff so we can address your concerns.

Hand washing is one way which we can all prevent infection spreading. Good hand hygiene removes bacteria from hands.

Make sure you cover all areas of your hands. Attention should be paid to the finger tips, between the fingers and to the outside and back area of the thumbs – these areas are often missed. Once hands have been rinsed they should be dried carefully with paper towels. Using moisturisers can stop the skin getting dry and sore.

All visitors are asked to use the alcohol hand gel provided, in the ward and clinical areas, on arrival and again when leaving. Visitors with sensitive skin can use the hand washing basins and liquid soap in any of the patient areas.

You and your visitors should **always** wash your hands:

- before eating
- after eating
- after going to the toilet
- after visiting hospitals
- after socialising
- after travelling.

We will provide hand freshening wipes before meals.

Please ask staff for help if needed. Please feel free to ask us if we have washed our hands before we carry out your care.

Hand hygiene

Consent

You can change your mind at any time.

We want to involve you in all decisions about your care and provide you with a clear explanation of your condition and the treatment available. If you decide to go ahead with a procedure or treatment you will be asked to sign a consent form. This confirms you agree to have the procedure or treatment and understand what is involved.

More information about consent is available – just ask us or your visitors can find out more on our website www.kentcht.nhs.uk/infolibrary

Smoking

The hospital has a **no smoking** policy. We **do not** have designated smoking areas in the hospital grounds.

If you would like to stop smoking we can help. Just contact us by:

Phone: 0300 123 1220 (option 1) Email: kcht.sss@nhs.net
Text: QUIT to 87023 Web: www.smokefreekent.co.uk

Fire safety

All staff have been trained in fire and evacuation procedures. In the unlikely event of a fire, staff will take control of the situation and will arrange any necessary action.

Please do not panic. It is important that you follow instructions given by staff in the event of an emergency.

All emergency exits are clearly marked but staff will direct you if you need to move. If you need support to move a member of staff will help.

Our fire alarms are tested regularly on a Wednesday. We will let you know if this is happening.

Shop

The hospital has a:

Shop

Trolley

which is run by volunteers.

The trolley comes to the ward in the:

Morning

They sell things like: snacks, sweets, drinks, toiletries and newspapers.

A vending machine is also available.

Opening hours

The shop is open on:

- | | |
|---|--|
| <input checked="" type="checkbox"/> Monday | <input checked="" type="checkbox"/> Thursday |
| <input checked="" type="checkbox"/> Tuesday | <input checked="" type="checkbox"/> Friday |
| <input checked="" type="checkbox"/> Wednesday | |

It is open from
9am to 3pm

Gifts and donations

Staff are not able to accept personal donations, such as, money or personal gifts.

If you would like to make a donation or gift to the Trust or ward where you were treated please speak to a member of staff or call our Customer Care Team on 0300 123 1807.

Please let us know the purpose for which the money or gift is to be used.

We would like to write and thank you for your donation or gift so please let us know your name and address.

Leisure and activities

We try to provide a range of activities to keep people occupied. We have:

Games and puzzles in the day room

Day room television

Day room activities such as arts and crafts

Please ask us what days and times the activities are happening. They are usually in the morning.

You may use your mobile phone on the ward but please consider other patients and visitors.

Unfortunately we are unable to provide internet access.

Please **do not** use your phone to take photos or make videos of other patients or staff. The privacy and dignity of other patients and staff must be respected at all times.

Please also **do not** take photos of documentation. If you would like to discuss your records please ask the nurse in charge.

The League of Friends

The League of Friends is a voluntary organisation that raises funds to provide additional services, facilities and equipment for patients and staff.

If you would like to know more about the League of Friends, please ask for a leaflet which details their achievements and how you can assist them.

Chaplaincy

The hospital has chapel which you are welcome to visit. Please ask us where it is.

A service is held every Wednesday morning which you are welcome to attend.

NOTES...

Use this page to make notes about anything you would like to ask us during your stay...

Brain teasers...

Sudoku

We understand there may be times when you are bored and this can be frustrating. Here are some puzzles to try and keep your mind active...

Kriss Cross

Fill in the four grids with the words provided.

- | | |
|-------|-------|
| ASK | HOTEL |
| EVE | IDEAL |
| OWL | KAYAK |
| STY | MELON |
| BLUES | PEKAN |
| BOARD | POSTS |
| DREAM | SHIRT |
| DRYAD | STEAD |
| FLOOR | TOOLS |
| GLADE | WHEAT |

ZigZags

These are zigzag word search puzzles. Words go left, right, up, down, not diagonally, and can bend at a right angle. There are no unused letters in the grid, every letter is used only once.

Going home...

Planning

Before you leave hospital you will be involved and consulted in all aspects of your discharge planning. This may involve discussions with your family and/or carer and a social services care manager who will organise care at home if needed.

Your family, friend or carer will be asked if they are free to take you home or hospital transport will be arranged.

Before leaving you need to make sure that:

- you have a key to get in
- you have food available
- your heating has been turned on if it is cold
- if possible someone will be there to help you settle in.

If you are unable to go home the team will work together with you, your family, friends and/or carer to choose a care setting which will be appropriate for your needs.

FEEDBACK

When you are ready to leave we will give you a patient survey. Your feedback helps us to improve care for patients.

We would be very grateful if you, a family member, friend or carer could fill this in before you leave. If you need help please ask us.

Transport

Parking

Free parking is available at most of our hospitals. Blue Badge holders are able to park in designated bays when displaying a badge.

Pay and display parking is available at Gravesham Community Hospital, Sevenoaks Hospital and Faversham Cottage Hospital.

Parking on double yellow lines, red lined areas and hatched areas is not allowed.

Our hospitals have limited parking so we would encourage your visitors to use alternative transport when visiting the hospital if possible.

Hospital transport

When you are ready to leave or if you have an outpatient appointment we will arrange transport for you.

Please note that hospital transport only has room for one piece of luggage.

Buses

There are regular bus services to all our hospitals. Please ask for a bus timetable or pick one up from reception.

Taxis

Please ask us for the phone numbers of a local taxi firms.

NOTES

Use this page to make notes about anything you need or are worried about when going home.

Services

Health information library

Visit our website to see leaflets about the services we provide.

www.kentcht.nhs.uk/infolibrary

Customer Care Team

If you need general advice about the services we provide, have a concern or would like to complain, comment or compliment we can help.

Phone: 0300 123 1807

Text: 07943 091958

Email: kcht.cct@nhs.net

Change 4 Life Club

Games, activities and interactive sessions on the eatwell plate, five a day, the importance of being active and why our bodies need energy. The club lasts half an hour each week for five sessions and is based on the Change4Life programme.

Phone: 0300 123 1220 (option 2)

Falls Prevention

A 12-week prevention and assessment service for anyone at risk of falling, or who has fallen.

Phone:

Folkestone 01303 854488

Tonbridge 01732 375175

Email: fallspreventionservice@nhs.net

When you get home...

Here are some services provided by Kent Community Health NHS Foundation Trust that may be able to offer help and support after you get home...

Expert Patients Programme (EPP)

EPP is a self-management course, run by volunteers, for people who live with one or more long-term health conditions.

Phone: 0300 123 1220 (option 5)

Mobile: 07944 935047

Email: kcht.epp@nhs.net

Continence advisory service

Advice and support for anyone with bladder and bowel problems.

Phone: 0300 790 0310

Health trainers

Free, confidential one-to-one support, to help patients make positive lifestyle changes. Help with accessing local services, increasing physical activity, healthy eating, healthy weight, stopping smoking, alcohol or drug concerns, reducing stress and sexual health concerns.

Phone: 0300 123 1220 (option 3)

Email: kcht.healthtrainers@nhs.net

Physiotherapy

In some areas you can contact the service directly. In other areas you may need a referral. Call to find out more on

Phone: 0300 123 0854

Stop smoking

Phone: 0300 123 1220 (option 1)

Email: kcht.sss@nhs.net

Text: QUIT to 87023

Web: www.smokefreekent.co.uk

Health checks

NHS Health Checks is a national cardiovascular screening programme for 40 to 74-year-olds, across Kent. You'll get a letter inviting you for screening. The checks are for people who are not already being treated for cardiovascular disease, for example diabetes, high blood pressure, kidney disease and heart disease.

Phone: 0300 123 1220 (option 4)

Email: healthchecks@kentcht.nhs.uk

South East DriveAbility

This centre provides assessment and advice on driving, car adaptation and car choice for disabled drivers and passengers. It carries out assessments and gives advice on driving, driving tuition and car adaptation.

Phone: 01622 606900

Email: kcht.sedriveability@nhs.net

Community Chronic Pain

We support patients, who live in east Kent, with chronic pain to achieve long-term self-management by developing strategies, enhancing quality of life and reducing dependency on healthcare services.

You will need to be referred by your GP or another healthcare professional.

Phone: 0300 123 1753

or 0300 123 2105

Support

Cruse Bereavement Care

Support after the death of someone close.

Phone: 0844 477 9400
Email: helpline@cruse.org.uk

When you get home...

Here are some other organisations that may be able to offer help and support after you get home...

NHS 111

You can call 111 when you need medical help but it's not a 999 emergency. It is a fast and easy way to get the right help, whatever the time. NHS 111 is available 24 hours a day, 365 days a year. Calls are free.

British Heart Foundation

Phone: 0300 330 3311
Website: www.bhf.org.uk

Keeping hydrated

Once you are home it is important to keep hydrated. Most of us need 1.5 to 2.5 litres of fluid a day. This is about six to eight cups a day.

To make sure you get enough fluid you can drink:

- | | |
|--|--|
| <input checked="" type="checkbox"/> water | <input checked="" type="checkbox"/> fizzy drinks |
| <input checked="" type="checkbox"/> tea | <input checked="" type="checkbox"/> fruit juice |
| <input checked="" type="checkbox"/> coffee | <input checked="" type="checkbox"/> squash |
| <input checked="" type="checkbox"/> milky drinks | <input checked="" type="checkbox"/> fruit tea. |

Fruit juice and fizzy drinks contain sugar so if you have diabetes please talk to your nurse or doctor about having these drinks.

When you feel thirsty your body is telling you that you are becoming de-hydrated. The easiest way to see if you are de-hydrated is to check your wee. It should be pale or straw coloured. If it is darker you probably need to drink more.

1 to 3 is healthy wee
4 to 8 is time to hydrate

Your comments and concerns

We are happy to answer any questions you or your family, friends or carers may have. We like suggestions to improve the services that we offer.

If you would prefer to speak someone outside of the service you can contact our Customer Care Team. This is a confidential service that is here to help you by offering information and advice about the health services provided by Kent Community Health NHS Foundation Trust.

You can also speak to the team if you require information on how to make a complaint, or you can email kcht.complaints@nhs.net

We promise you will not be treated unfairly or discriminated against if you raise a concern or make a complaint. We will treat your complaint sensitively and will work with you to resolve it.

You can also use our online surveys to give us feedback about our services by visiting the Talk to us section of our website www.kentcht.nhs.uk

You can contact the
Customer Care Team by:

Phone: 0300 123 1807 (local rate) lines
are open Monday to Friday, 8am to 5pm

Kent TN25 4AZ

Your medical records

Your medical records are kept confidential at all times. They are only shared with people who need to see them, including your doctor.

If you would like access to your records please speak to our Legal Services Department who will send you an application form (see address below).

Once the application form has been received the department will send you a response within 21 days, however all requests will be responded to within 40 days.

Under the Data Protection Act 1998 charges may apply for health record requests. The Legal Services Department will let you know if there are any charges.

For more information please ask us for a copy of the leaflet 00331 – Information Governance – What happens to personal information held about you (pictured left).

Become a member TODAY

FIVE fantastic reasons we think you may want to join:

1. You get to have your say on local NHS services. Have a real opportunity to tell us what we do well and where we can improve.
2. We will get more financial freedom to spend money on services you need.
3. You will get NHS discounts.
4. You'll be kept up-to-date with improvements and changes to local NHS services. Our quarterly magazine Community Health will give you local health news, updates and more.
5. You can be involved as much or as little as you want. Governors look after members' interests with the Trust's Board. Members can share their thoughts with governors about the Trust.

Who are we?

- We provide local health services in a variety of venues, including community hospitals, clinics and health centres, caring for you and your family closer to home.
- Our 5,400 staff are dedicated to providing excellent care.
- We are one of the largest community health providers in England, serving 1.4 million people.

Everyone's motivation for joining us will be different.

- Maybe you, your granddad or friend has just recovered in one of our community hospitals after a fall and you'd like to tell us about their experience.
- Maybe you simply love your local NHS and want to help us make it the best it can be.

**Become a member of our Trust and help shape NHS
community services – just fill out the form on the next page**

Visit our website www.kentcht.nhs.uk/home/about-us/foundation-trust/ to sign up online or send in this form to the address below.
