

College Scholars Award

An Outstanding Opportunity for Academically Talented Students

- Rank in the top 10% of their graduating class;
- Graduate from an Ulster County High School, or reside in Ulster County;
- Graduate HS in the same year of their Application for Admissions to SUNY Ulster;
- Receive a NYS Regent Diploma;
- Apply for Federal and State Aid through the FAFSA; and
- Enroll in full-time study and matriculate into a degree program

I graduated from Kingston High School in the top 10% of my class, which qualified me for SUNY Ulster's College Scholars Award. This full-tuition scholarship helped me save thousands of dollars that I now plan to use toward the second half of my undergraduate education. But equally important were the incredible academic and campus experiences I've had at SUNY Ulster. I was an Admissions Ambassador, Math Team Member, V.P. of our Student Government and chosen to participate in the Eleanor Roosevelt Community College Emerging Leaders Program (ECCEL). Lots of my high school friends thought community college would limit my college experience, but they were wrong! I got a great education and made lots of friends – all while building a great resume for transfer to SUNY New Paltz. My Graduation is coming up in May. I'm ready for this next step in my education, but will never forget where I got my start.

Courtney Sheeley '14

Secondary Education,
Concentration: Math

About the College Scholars Award:

The College Scholars Award is combined with all other financial aid awards and any additional Ulster Community College Foundation, Inc. scholarships to guarantee full tuition. This scholarship will be good for two consecutive semesters of full-time study (books and fees not included). After you have completed your first year of studies at SUNY Ulster, you may be eligible for second-year College Scholars funding at SUNY Ulster providing you maintain a 3.3 cumulative average. Second year College Scholars will be required to complete the Free Application for Federal Student Aid again.
