Outpatient Pre-Treatment Authorization Program (OPAP) Authorization Request

IMPORTANT INFORMATION FOR COMPLETING REQUEST FORMS

- 1. Verify eligibility and benefits through the following:
 - Online at www.carefirst.com/carefirstdirect.
 - Maryland-based products (Maryland Point of Service, Preferred Provider Organization, Preferred Provider Network, and Maryland Indemnity
 products) call BlueLine at 410-581-3535 or 800-248-8410.
 - National Capital Area (NCA)-/Regional-based products (CareFirst BlueChoice, CareFirst BlueChoice Opt-Out, CareFirst BlueChoice Opt-Out Plus, BluePreferred and NCA Indemnity) call FirstLine at 202-479-6560 or 800-842-5975.

2. General Instructions:

- Type or print legibly and complete the form in its entirety. Note "N/A" in blocks that are not applicable.
- The number of visits and the range for dates of service must agree with those indicated on the claim form. (For example: the number of visits cannot be overstated. A visit must not occur outside the approved range for dates of service.) If the claim does not agree with the authorization, claims processing may be delayed and/or the claim may be denied.
- To order additional forms, please call 410-998-4667. Use your Provider ID number to request the form number noted at the bottom of the
 first page.
- 3. Fax completed forms to 410-505-6404 within five (5) days from initial evaluation. Delays may cause a denial or reduction in claims payment. Please do not send additional pages unless requested (see additional instructions for HMO). Once processed, your OPAP authorization will be faxed back to you.

Additional HMO Specific Requirements:

- For CareFirst BlueChoice, Inc. products (including BlueChoice HMO, Opt-Out, and Opt-Out Plus), a PCP may also be required to submit a written referral to a therapist for the first three (3) visits (to include 1 evaluation and 2 treatments).
- Prior to rendering continued services beyond the initial three (3) visits, the therapist must obtain OPAP authorization. Submit a copy of the written referral along with the OPAP Authorization Form (see General Instructions above).
- CareFirst BlueChoice Opt-Out with the Open Access feature (see patient's ID card) does not require written referrals for the first three (3) visits. Chiropractic (spinal manipulation) services require authorization starting with the first visit.

Authorization requirements for health care services vary by employer. **Be sure to check the patient's eligibility and benefits. Note:** Authorization is subject to medical necessity. Providers should be familiar with our medical policies as they pertain to Physical Therapy (PT), Occupational Therapy (OT), Speech Therapy (ST) and spinal manipulation services. Medical policies are available on the "Providers & Physicians" section of our web site, www.carefirst.com. Please see Section 08, *Rehabilitation Therapy*, for details. This form is used to request continued services after the initial three (3) referral visits have been completed.
