- Foster partnerships among Virginia wineries to achieve similar marketing goals
- Promote Virginia wine both in Virginia and in other national and international markets

<u>Funding:</u> The Virginia Wine Board has appropriated \$50,000 towards this initiative. There are <u>no set award amounts/tiers</u> (i.e. \$5,000).

Virginia Wine Marketing Fund Description

The Virginia Wine Marketing Fund is a matching grant program that funds activities related to promoting products of Virginia wineries:

- A minimum of three financial partners must apply for funding.
- In addition to wineries, financial partners can include associations, convention and visitors bureaus, private organizations and trade groups.
- Each partner must submit a letter of commitment on letterhead with the application.
- Grants are awarded as a one to one match.
- Grants are awarded at the beginning of each fiscal year for execution during that fiscal year. For FY 2012, the award period will be July 1, 2011 through May 31, 2012.
- Invoices are due to the Virginia Wine Board by May 31, 2012.
- Grants require final reporting with results, as well as financial accounting for FY 2012 prior to final reimbursement installment.
- Approved grants will provide their methodology and results to the Virginia Wine Board for the benefit of the entire industry.
- Approved grants will include focused proposals that can realistically be accomplished with the money requested, within the timeline of the grant.

Examples of What Will Not Be Funded:

- Routine, or existing marketing initiatives (printing annual winery brochures).
