II. DESCRIPTIONS OF FORMS

Brief descriptions of the forms contained in your U.S. Legal Forms™ Personal Planning Package are found below.

Last Will and Testament – Complete this form to detail in writing your wishes regarding who is to receive your property at death and who will administer your estate. It also enables you to appoint trustees or guardians, if applicable. **(control number varies)**

General Durable Power of Attorney – This General Durable Power of Attorney is a general, durable power of attorney which is effective IMMEDIATELY. This form allows you to appoint an attorney-in-fact (agent) to make decisions regarding property, financial, business, banking, management and other matters for you. The powers granted to an Agent in this Power of Attorney are very broad, but do NOT provide for health care services. This form complies with all applicable state statutory laws. **(AK-P003A)**

Statutory Form of Durable Power of Attorney - This Power of Attorney is a statutory form which means it has been approved by the state legislature. It provides for the appointment of an attorney-in-fact for various matters, which you select, including property, finances, real estate, business, banking, litigation and many more options. This form is to be signed in front of a notary public and acknowledged. Note: Do not alter this statutory form other than to include the optional provisions listed. Only complete it as desired. This form is based on Alaska Statutes 13.26.332. It can be limited by the powers you select to give your agent. You may also select for the form to be durable, which means that it continues if you become incompetent. **(AK-P012)**

Statutory Equivalent of Living Will - This statutory advance health care directive has been enacted by Alaska Acts - Chapter 83 of 2004 and contains five parts relating to: Durable Power of Attorney for Health Care Decisions, Instructions for Health Care, Anatomical Gift at Death, Mental Health Treatment, and Primary Physician Designation. **(AK-P026)**

Estate Planning Questionnaire – Complete this form to assist attorneys, estate planners, and other professionals with details regarding your home and other property you own and additional assets including investments, life insurance policies, individual retirement accounts and so forth so that they can best recommend a course of action regarding your estate. **(AK-WIL-801)**

Personal Planning/Documents Inventory Form – Complete this form to retain important information on file relevant to your life such as names of relatives, their contact information, your medical information, financial asset inventory, the location of your important legal documents and more. **(US-00PPF)**

Financial Statement Form – Universal Use - This form outlays the assets and liabilities of an individual. The form contains sections which ask the individual to identify the following: current assets, current liabilities, deferred assets, and net worth. **(US-00522-J)**

III. LEGAL DOCUMENT STORAGE

Once you prepare legal documents and forms in your U.S. Legal Forms™ Essential Legal Life Documents Package, it is highly recommended that you keep forms together. An optional USLegal Life Documents Organizer is available for purchase from www.uslegalforms.com to help store your legal documents.

Legal documents should also be kept in a very secure place such as a bank safe deposit box or personal home safe. You may wish to tell your attorney or a family member about the location of your Legal Life Documents Package in the event you are unable to communicate it to them when needed.

IV. TIPS ON COMPLETING THE FORMS

The form(s) in this packet may contain “form fields” created using Microsoft Word or Adobe Acrobat (“.pdf” format). “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

It is also helpful to be able to see the location of the form fields. Go to the View menu, click on Toolbars, and then select Forms. This will open the Forms toolbar. Look for the button on the Forms toolbar that resembles a shaded letter “a”. Click this button and the form fields will be visible.

By clicking on the appropriate form field, you will be able to enter the needed information. In some instances, the form field and the line will disappear after information is entered. In other cases, it will not. The form was created to function in this manner.
