All other blanks in the Will are typically completed by hand, such as the names of the witnesses, day, month and year executed, etc.

Once you have completed the Will double check all entries and then print. The Will should be signed by you in front of two witnesses, not related to you. Please sign all pages of the Will in the places designated.

The last page of the Will is an Affidavit which allows your Will to become a “self-proving Will.” A self-proving Will certifies that the witnesses and you properly signed the Will and makes it easier for the court to accept the Will as the true Will. This can avoid delay and save some court costs and saving the witnesses from coming forward later to attest to the signing of the Will.

You should keep your Will in a safe place once executed. It is also recommended that you give a copy to your executor or other person as additional proof of execution.

This package contains two wills, one for the man and one for the woman to complete. They are the same. Use the instructions above to complete both.

For additional information, see the Law Summary and Information and Preview links in the search results for this form. A Definitions section is linked on the Information and Preview page.
