III. PROCEDURE FOR CHANGE OF NAME (MINOR) FOR THE STATE OF CONNECTICUT

- A. Preliminary Note:
 - 1. The attached form may be completed by:
 - a. Printing the form and completing by hand. Use black ink and print neatly.
 - b. Printing the form and completing using a typewriter.
 - c. By completing the form on your computer using a word processing program and then printing the forms.
 - 2. Use complete names and not initials. Check your spelling carefully, a misspelled word can delay your name change.
 - 3. Print two (2) complete sets of forms.
 - 4. Complete the heading of the Petition. All forms with a heading - the name of the court, the Petitioner's name, the case number, and the name of the document - require that the heading be completed. If you do not know what is the proper "Division" of

the Probate Court in which to file, go to <http://www.jud.state.ct.us/scripts/prodir1.asp>. By inputting the name of the town in which the Minor resides, the proper district and district number may be determined. You will need to add the name of the court and the full name of the Petitioner.

5. Forms that require your signature and include a notary block **MUST** be signed in the presence of the notary or court clerk who will complete the acknowledgement. Use your complete name - first name, middle name, last name.
6. When a form is filed with the court, request the clerk "file-stamp" one copy of the form for your file.
7. A Law Summary is available and can be printed for your State. To do so, go to where you located this package and select the Law Summary link under the form title and print. Review the Law Summary before beginning the process of completing the forms.

B. Procedure

- Step 1: Complete all the forms using complete names - middle names instead of middle initials.
- Step 2: File the Petition and a certified copy of your birth certificate showing both parents' names in the Probate Court in the county in which you have been a resident and pay the appropriate fee.
- Step 3: After filing the Clerk will advise you how a hearing will be set and if publication of any notice is required. Both parents will receive notice of a last name change for a minor. The petitioner will be required to provide the Court with the current address of all parties. An absent parent will not be notified regarding a change in first name for a minor. Follow the directions of the Clerk.
- Step 4: Appear as directed by the Clerk. At the hearing, any persons objecting to the requested Name Change will be heard by the Court; and the Court may examine, upon oath, the Petitioner(s) or other persons concerning the Petition.
- Step 5: Obtain a certified copy of the Order from the Clerk after it has been signed by the Judge. You are now ready to notify appropriate persons and governmental agencies of the change. A certified copy of the Court Decree approving the name change should be presented to the

registrar of vital statistics for the town of birth if the birth name has changed.

Step 6: If you own real estate, a certificate of change of name must be filed with the town clerk's office where that real estate is located.

Step 7: The Motor Vehicle Department, Social Security Administration, Passport Services, Employer, and Creditors should all be notified of the change in name.

NOTE ABOUT COMPLETING THE FORMS

The forms in this packet contain “form fields” created using Microsoft Word. “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

If you do not see the gray shaded form fields, go to the View menu, click on Toolbars, and then select Forms. This will open the forms toolbar. Look for the button on the forms toolbar that resembles a shaded letter “a”. Click in this button and the form fields will be visible.

The forms are locked which means that the content of the forms cannot be changed. You can only fill in the information in the fields.

If you need to make any changes in the body of the form, it is necessary for you “unlock” or “unprotect” the form. **IF YOU INTEND TO MAKE CHANGES TO THE CONTENT, DO SO BEFORE YOU BEGIN TO FILL IN THE FIELDS. IF YOU UNLOCK THE DOCUMENT AFTER YOU HAVE BEGUN TO COMPLETE THE FIELDS, WHEN YOU RELOCK, ALL INFORMATION YOU ENTERED WILL BE LOST.** To unlock, click on “Tools” in the Menu bar and then select “unprotect document”. You may then be prompted to enter a password. If so, the password is “uslf”. That is uslf **in lower case letters without the quotation marks**. After you make the changes relock the document before you begin to complete the fields.

After any required changes and re-protecting the document, click on the first form field and enter the required information. You will be able to navigate through the document from form field to form field using your tab key. Tab to a form field and insert your data. If problems, please let us know.
