SOCIAL SECURITY CARD

You may obtain a new social security card as a replacement by using official form SS-5. You may also change your name on your card by using the same official form. The card number will remain the same.

To get a replacement card, you usually need one identifying document. Some documents that Social Security Offices may accept as proof of identity are:

1. Driver's license
2. Marriage or divorce record
3. Military records
4. Employer ID card
5. Adoption record
6. Insurance policy
7. Passport
8. Health Insurance card (not a Medicare card)
9. School ID card

For a name change on your card, you need documentation that shows your old name and your new name.

Your new card will show your new name but will have the same number as your old card.

NOTE: Social Security Offices cannot accept photocopies of documents. You must submit original documents or copies certified by the custodian of the record. Notarized copies are not acceptable.

How to Obtain the Form

To download the SS-5 form (in .pdf format), click on the following link:

How to Complete the Form

Complete the SS-5 using the instructions on pages 1 and 6 of the form. See pages 2 and 3 of the form for the evidence that you will need to submit with your application.

Where to Send the Form

Finally, take or mail the SS-5 to the nearest Social Security office. Be sure to take or mail the originals or certified copies of your supporting documents along with the form. Your Social Security Office will return your original documents right away. Once Social Security has everything they need, they will send your Social Security Card in about two weeks.

If you are not sure where your local office is located, call 1-800-772-1213.

PASSPORT CHANGE OF NAME

The form required is form DS-5504, to be used within one year of passport issuance for name-changes, other information changes and extension of limited passports. If more than one year has passed, you must apply for a new passport. VOTER REGISTRATION

Depending on your state, you may change your voter registration at your city, town hall, or at the same time you change your driver's license number at the Department of Motor Vehicles (DMV). You can also register to vote when applying for services at State offices providing State-funded programs for the disabled, and at armed forces recruitment offices. In addition to these locations, many States offer registration opportunities at public libraries, post offices, unemployment offices, public high schools and universities.

The National Mail Voter Registration Form is the one document that allows you to register to vote from anywhere in the United States.

The National Form can be used to:

- Register out-of-town tourist and convention groups.
- Register people from surrounding States who work, shop, or attend events in a central city.
- Conduct voter registration drives, especially at colleges and universities.
- Register individuals at State agencies or other public offices.

Please Note the Following Exceptions:

- New Hampshire town and city clerks will accept this application only as a request for their own mail-in absentee voter registration form.
- North Dakota does not have voter registration.
- Wisconsin town, village, and city clerks will accept this application only as a request for their own mail-in registration form.
- Wyoming cannot accept this form under State law.

The following States will accept copies of this application printed from the computer image on regular paper stock, signed by the applicant and mailed in an envelope with the correct postage: Alabama, Alaska, Arizona, California, Colorado, Connecticut, Delaware, Georgia, Hawaii, Iowa, Kansas, Louisiana, Maryland, Michigan, Minnesota, Montana, Nebraska, New Jersey, New York, Oklahoma, Pennsylvania, South Carolina, Texas, Utah, Washington, West Virginia, and Wisconsin.

For the remainder of the States which do not accept copies of the National Mail Voter Registration Form, you may obtain a State voter registration form by a written request mailed to the address of the State election office listed in the State Instructions.

You may access voter registration requirements for all states – use this link:

http://www.eac.gov/files/voter/nvra_update.pdf

**DEPARTMENT OF MOTOR VEHICLES
 CHANGE OF NAME ON DRIVER'S
 LICENSE**

To change your name on your driver's license, you will need to complete state specific forms usually provided from the Department of Motor Vehicles.

Most states require that you appear in person to change the name on your driver's license so that a new license can be issued. You can check the information below to see if your state allows you to change your name on your license by mail.

In order to change your license, you will need to present proof of the change. Proof of the change can be a certified copy of your marriage license, certificated copy of your divorce judgment containing the provision allowing you to reclaim your maiden name, or a certified copy of the Court order changing your name. Certified copies can be obtained from the office that issued the marriage license or the court clerk that issued the divorce decree or name change order.

You will also need to present your present license. You may desire to present your social security card, or passport as additional proof of identification.

Some Departments of Transportation also allow you to change your voter registration at the same time you change your license by completing additional forms.

Will, Trust, Power of Attorney, Living Will, Health Care Proxy, etc.

Whether you changed your name by marriage, divorce or otherwise you will want to update or change your Will, Trusts, Power of Attorney, Living Will, Health Care Proxy and other legal documents.

Divorce or Marriage is a time to make a will if you do not have one, or to make a new will because your circumstances have changed. This name change guide does not include forms for a will. You may locate one to fit your needs at:

<http://www.uslegalforms.com>

This package does contain forms to amend legal documents to reflect your name change, as evidence of the change. These forms do not change the legal content of any of those legal documents.

If you do not have any of the legal documents identified, this may be a good time to consider whether you are in need of any of these documents.

The form provided is to be attached to your legal document. See next page for the form.
