General Durable Power of Attorney for Property and Finances Effective Upon Disability – This General Durable Power of Attorney for Property and Finances Effective upon Disability form is a general, durable power of attorney which is effective ONLY upon the principal's disability, incompetency or incapacity. This form allows you to appoint an attorney-in-fact (agent) to make

decisions regarding property, financial, business, banking, management and other matters for you. The powers granted to an Agent in this Power of Attorney are very broad, but do NOT provide for health care services.

Statutory General Power of Attorney with Durable Provisions - Financial Power of Attorney -

This is a statutory form provided for in the Georgia Code that allows you to name one or more persons to help you handle your financial affairs. It grants your attorney in fact (your agent) VERY broad powers with regard to your property and finances. This Power of Attorney does NOT provide for health care services. As long as you are living, the financial power of attorney will remain in effect even if you become incapacitated or unable to communicate your wishes unless a guardian is appointed for your property or you include a date or specific occurrence when you want your document to be canceled.

Power of Attorney for Care and Custody of Children – This Power of Attorney is a form which provides for the appointment of an attorney-in-fact for the care of a child or children, including health care. This Power of Attorney form requires that the signature of the person giving another the power of attorney to be notarized.

Statutory Advance Directive for Health Care – This Statutory Advance Directive for Health Care allows you to choose someone to make health care decisions for you when you cannot (or do not want to) make health care decisions for yourself and for you after your death with respect to an autopsy, organ donation, body donation, and final disposition of your body. You can also use this form to state your treatment preferences if you have a terminal condition or if you are in a state of permanent unconsciousness, and to nominate a person to be your guardian should one ever be needed.

#### **IV. TIPS ON COMPLETING THE FORMS**

The form(s) in this packet may contain “form fields” created using Microsoft Word or Adobe Acrobat (“.pdf” format). “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

It is also helpful to be able to see the location of the form fields. Go to the View menu, click on Toolbars, and then select Forms. This will open the Forms toolbar. Look for the button on the Forms toolbar that resembles a shaded letter “a”. Click this button and the form fields will be visible.

By clicking on the appropriate form field, you will be able to enter the needed information. In some instances, the form field and the line will disappear after information is entered. In other cases, it will not. The form was created to function in this manner.
