Exchange Addendum - In this form, the parties amend an existing contract to buy and sell real estate and agree that the Exchanging Party's rights under the contract are assignable prior to closing to structure an exchange of the property under Section 1031. The Cooperating Party agrees to reasonably cooperate in such exchange with the Exchanging Party.

III. LEGAL DOCUMENT STORAGE

Once you prepare legal documents and forms in your U.S. Legal Forms™ Essential Legal Life Documents Package, it is highly recommended that you keep forms together. An optional USLegal Life Documents Organizer – small or large size is available for purchase from www.uslegalforms.com to help store you legal documents.

IV. TIPS ON COMPLETING THE FORMS

The form(s) in this packet may contain “form fields” created using Microsoft Word or Adobe Acrobat (“.pdf” format). “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

It is also helpful to be able to see the location of the form fields. Go to the View menu, click on Toolbars, and then select Forms. This will open the Forms toolbar. Look for the button on the Forms toolbar that resembles a shaded letter “a”. Click this button and the form fields will be visible.

By clicking on the appropriate form field, you will be able to enter the needed information. In some instances, the form field and the line will disappear after information is entered. In other cases, it will not. The form was created to function in this manner.
