You will need to contact the newspaper in advance to determine the publication costs. Give to the newspaper one copy of the Notice of Publication and keep the other for your records.

After Publication is complete, the newspaper will mail you a “Certificate of Publication”. Keep the Certificate with your Petition and the Decree for Change of Name and bring all of them with you when the Petition is filed.

Step 3: The Petition for Name Change should be filed at least six weeks after the first publication. Contact the Circuit Clerk’s Office regarding a proper date for you to come to the clerks office to file your petition.

NOTE ABOUT COMPLETING THE FORMS

The forms in this packet contain “form fields” created using Microsoft Word. “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand. If you do not see the gray shaded form fields, go to the View menu, click on Toolbars, and then select Forms. This will open the forms toolbar. Look for the button on the forms toolbar that resembles a shaded letter “a”. Click in this button and the form fields will be visible.

The forms are locked which means that the content of the forms cannot be changed. You can only fill in the information in the fields.

If you need to make any changes in the body of the form, it is necessary for you “unlock” or “unprotect” the form. **IF YOU INTEND TO MAKE CHANGES TO THE CONTENT, DO SO BEFORE YOU BEGIN TO FILL IN THE FIELDS. IF YOU UNLOCK THE DOCUMENT AFTER YOU HAVE BEGUN TO COMPLETE THE FIELDS, WHEN YOU RELOCK, ALL INFORMATION YOU ENTERED WILL BE LOST.** To unlock click on “Tools” in the Menu bar and then selecting “unprotect document”. You may then be prompted to enter a password. If so, the password is “uslf”. That is uslf **in lower case letters without the quotation marks**. After you make the changes relock the document before you begin to complete the fields.

After any required changes and re-protecting the document, click on the first form field and enter the required information. You will be able to navigate through the document from form field to form field using your tab key. Tab to a form field and insert your data. If problems, please let us know.
