This form contains a default provision stating that if the purchaser defaults in the mandatory purchase obligation, the seller may legally require the purchaser to specifically perform the agreement.

Contract for Lease and Purchase of Real Estate- Purchase by Date or Leave - This multi-state form is a contract providing for the purchase of real estate property, with a temporary lease of property by buyer prior to the contract's closing. Personal Guaranty of Contract for the Lease and Purchase of Real Estate - This multi-state form is used when a purchaser has requested that a seller enter into a contract for the lease and purchase of real estate for certain property. ### III. TIPS ON COMPLETING THE FORMS

The form(s) in this packet may contain “form fields” created using Microsoft Word or Adobe Acrobat (“.pdf” format). “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

It is also helpful to be able to see the location of the form fields. Go to the View menu, click on Toolbars, and then select Forms. This will open the Forms toolbar. Look for the button on the Forms toolbar that resembles a shaded letter “a”. Click this button and the form fields will be visible.

By clicking on the appropriate form field, you will be able to enter the needed information. In some instances, the form field and the line will disappear after information is entered. In other cases, it will not. The form was created to function in this manner.
