

ATTORNEYS' FEES AFFIDAVIT

State of Minnesota □

County of □

Before me, the undersigned authority, personally appeared the undersigned Affiant, who, after being duly sworn, did depose:

I.

I, the Affiant, am one of the attorneys for Plaintiff in the above styled and numbered cause now pending in said Court. I am duly licensed to practice law in the Courts of the State of Minnesota and am familiar with the fees customarily charged by practicing attorneys in _____ County, Minnesota with regard to matters of this nature. The law firm of which Affiant is a member is handling this matter on a contingent fee basis for the Plaintiff based upon the amount of debt to be collected. The fees of the attorneys for Plaintiff are based upon the amount of money in controversy and the fees customarily charged by practicing attorneys in _____ County, Minnesota.

Demand for payment of Plaintiff's claim was made on all Defendants more than thirty (30) days prior to filing this Motion and Affidavit and the debt in question has not been paid. Efforts by the attorneys for Plaintiff to collect this matter include but are not limited to investigating to determine Defendant's circumstances, attempting to secure collection of the indebtedness by amicable means, preparing and filing the Petition in this cause, arranging for service of citation and preparing and filing of the Judgment herein. All actions taken by the attorneys for Plaintiff were reasonable and necessary in prosecuting this matter.

In my opinion, a reasonable and customary attorneys' fee in this matter based upon the amount in controversy would be at least \$_____.

This affidavit is made upon personal knowledge of the Affiant, and all facts stated therein are true and correct.
