

IN THE CHANCERY COURT OF COUNTY, MISSISSIPPI

VS.

NO.

APPELLANT'S MOTION TO SUPPLEMENT THE RECORD

COMES NOW the Appellant, (“ ”), by and through his/her attorney, to request that this Honorable Court order that the Record be supplemented in this case. In support of his/her motion, would show the following:

1. This case in an appeal from an administrative decision by the Appellee, Mississippi State Board of Registration for (“State Board”). The Record was compiled by the State Board and referred to the Clerk of the Court.

2. Unlike appeals from the Mississippi's trial courts, where the appellate rules require a record review period before appellate records are submitted to the Clerk of the Supreme Court, the State Board did not provide with an opportunity to review the Record before it was sent to the Clerk. Consequently, a page-by-page review of the Record before the Court was not accomplished until recently.

3. Upon close review of the Record, counsel became aware of the absence from the Record of the State Board's Order from which is appealing. Because this case may be subject to further appellate review, and because the Order constitutes the legal basis of this appeal, the Order revoking license should be a part of the Record. For the Court's convenience, a copy of the Order, as received by is attached as Exhibit 1.

WHEREFORE, PREMISES CONSIDERED, requests that the Record be remanded to the State Board for supplementation of the State Board's Order, and that any costs associated with the supplementation is taxed to the State Board.

Respectfully submitted,

---

Attorney for
