2. Defendant admits the allegations of Paragraph 2, except Defendant would affirmatively show that his/her address is , MS .

3. The allegations of Paragraph 3 are denied. AFFIRMATIVE MATTER

JURISDICTION

There is no equity on the face of the Complaint and the Chancery Court of County, Mississippi, does not have jurisdiction of this matter, which is an action at law. The Court should dismiss the Complaint or in the alternative, transfer same to a Court of proper jurisdiction.

MISTAKE

Defendant denies having _____ on property belonging to the Plaintiffs. However, in the event such did occur, Defendant would show that same was done under a mistaken belief that Defendant was the owner of said lands and therefore, the statutory damages provisions would not apply.

AND NOW, having fully answered, Defendant denies that the Plaintiffs are entitled to the relief requested or to any relief whatsoever and prays that the Complaint be dismissed and that he/she be awarded his costs.

Respectfully submitted,
