

IN THE CIRCUIT COURT OF                      COUNTY, MISSISSIPPI

VS.    CIVIL ACTION NO.

**ORDER APPROVING THIRD-PARTY SETTLEMENT**

Came on this day to be heard on the Motion for Approval of Third-Party Settlement filed herein by                      , Plaintiff, and the Court being fully advised in the premises, finds as follows:

1.        That                      is the Plaintiff in the above-styled and numbered civil Action and is an adult resident citizen of                      County, Mississippi.

2.        That the claim of                      as set forth in the above-styled and numbered civil action is a doubtful claim and it is not one readily collectible in that liability is not certain and in that                      has denied liability for the injuries and damages sustained by                      . Furthermore, an Order Granting Motion for Summary Judgment and Final Judgment of Dismissal With Prejudice was entered by this Court on                      ,                      awarding summary judgment to the Defendant                      and dismissing the lawsuit with prejudice. However,                      has offered to settle and compromise this civil action and the claims of                      for the total sum of \$                      .

3.        That at the time of the accident in question,                      was employed as a patrolman by the City of                      , Mississippi. Since said accident, the City of                      , Mississippi and its workers' compensation insurance carrier,                      , have paid medical benefits for the benefit of                      in the amount of \$                      and have paid workers' compensation temporary total disability benefits to                      in the amount of \$                      .                      is entitled by law to full reimbursement for all medical and compensation heretofore paid to or on behalf of                      ; however,                      has agreed to waive its entire workers' compensation lien and all claims for reimbursement it may have arising from said medical and compensation benefits as a condition of this proposed settlement.

4.        That the aforesaid settlement and compromise is a fair and reasonable settlement of the doubtful claims of                      , and it is in the best interest of                      , that said sum be accepted and settlement be made and consummated and                      , be authorized to join with                      in the execution of appropriate releases.

5.        That                      has engaged the services of                      , attorney at law, and said attorney has rendered valuable services on behalf of                      and said attorney is entitled to a reasonable fee to be paid out of the proceeds of said settlement.

IT IS, THEREFORE, ORDERED AND ADJUDGED that                      be, and he is hereby, authorized and directed to compromise and settle the claim of                      against                      for the total sum of \$                      ;

IT IS FURTHER ORDERED AND ADJUDGED that                      be, and it is hereby, authorized and directed to waive its entire workers' compensation lien and all claims for reimbursement it may have for medical and compensation benefits paid to and on behalf of                      ;

IT IS FURTHER ORDERED AND ADJUDGED that                      and                      be, and they are hereby, authorized and directed to execute and deliver the appropriate releases to                      and                      is further authorized and directed to withdraw and dismiss the appeal and Notice of Appeal filed in this civil action;

SO ORDERED this the                      day of                      ,                      .
