I. FORM LIST

With this Premarital Agreement Package, you will find forms often used by individuals who want to ensure the proper and organized disposition of their assets in the event of death or divorce.

Included in your package are the following forms:

1. Prenuptial Premarital Agreement without Financial Statements
2. Amendment to Prenuptial or Premarital Agreement
3. Financial Statements Only in Connection with Prenuptial Premarital Agreement
4. Revocation of Premarital or Prenuptial Agreement

II. DESCRIPTIONS OF FORMS

Brief descriptions of the forms contained in your U.S. Legal Forms™ Specialty Package are found below.

Prenuptial Premarital Agreement without Financial Statements

This agreement may be used by persons who have been previously married, or by persons who have never been married. It includes provisions regarding the contemplated marriage, assets and debts disclosure and property rights after the marriage.

Amendment to Prenuptial or Premarital Agreement

The parties may use this form to make amendments or additions to an existing premarital agreement. Both parties are required to sign the amendment in the presence of a notary public.

Financial Statements Only in Connection with Prenuptial Premarital Agreement

The financial statement disclosure form is for use in connection with the premarital agreement and must be completed accurately and completely. Both parties are required to complete a separate financial statement and provide a copy of the statement to the other party.

Revocation of Premarital or Prenuptial Agreement

A husband and wife may use this form to revoke an existing premarital agreement. The agreement is also binding on their executors, administrators, legal representatives, successors, and assigns.

III. TIPS ON COMPLETING THE FORMS

The form(s) in this packet may contain “form fields” created using Microsoft Word or Adobe Acrobat (“.pdf” format). “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

It is also helpful to be able to see the location of the form fields. Go to the View menu, click on Toolbars, and then select Forms. This will open the Forms toolbar. Look for the button on the Forms toolbar that resembles a shaded letter “a”. Click this button and the form fields will be visible.

By clicking on the appropriate form field, you will be able to enter the needed information. In some instances, the form field and the line will disappear after information is entered. In other cases, it will not. The form was created to function in this manner.
