An option to purchase the property is included. Detailed terms for use, inspection, animals, security deposit, damages, closing costs, utilities, subletting, and much more are included.

Agreement to Lease Commercial Property with Option to Purchase at End of Lease Term - Rent to Own - Real Estate Rental – This form is a sample of a commercial lease of real property which contains an option to purchase the property at the end of the term. This lease is a triple net lease which means that the lessee pays, in addition to rent, all expenses associated with the property such as property taxes, insurance and maintenance and operation charges. Triple net leases are commonly used in commercial properties, such as shopping malls and apartment buildings.

Inventory and Condition of Leased Premises for Pre-Lease and Post-Lease - This Inventory and Condition of Leased Premises for Pre-Lease and Post-Lease is an inventory signed by a Tenant of rental property that attests the condition of leased premises pre-lease and post-lease. It includes lists of all furniture, furnishings, fixtures, appliances and personal property upon/in the leased premises. An assessment of the condition of each item is written by Landlord and the Tenant may agree or disagree to that assessment.

Security Deposit Agreement - This form is a sample of an agreement between a potential tenant and owner/landlord to lease a certain apartment from the owner at a future date. The consideration for holding the apartment (e.g., not renting it) is the deposit of a sum of money with the owner. The tenant will forfeit the entire sum if he fails to lease said apartment on or before a certain date.

Commercial Building or Space Lease - This is a commercial lease form for your state. It is for leasing a building for any use, such as an office. It contains required disclosures and an authorization for release of information.

### **III. LEGAL DOCUMENT STORAGE**

Once you prepare legal documents and forms in your U.S. Legal Forms™ Property Management Package, it is highly recommended that you keep forms together. An optional USLegal Life Documents Organizer – small or large size is available for purchase from [www.uslegalforms.com](http://www.uslegalforms.com) to help store you legal documents.

Legal documents should also be kept in a very secure place such as a bank safe deposit box or personal home safe. You may wish to tell your attorney or a family member about the location of your Legal Life Documents Package in the event you are unable to communicate it to them when needed.

### **IV. TIPS ON COMPLETING THE FORMS**

The form(s) in this packet may contain “form fields” created using Microsoft Word or Adobe Acrobat (“.pdf” format). “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

It is also helpful to be able to see the location of the form fields. Go to the View menu, click on Toolbars, and then select Forms. This will open the Forms toolbar. Look for the button on the Forms toolbar that resembles a shaded letter “a”. Click this button and the form fields will be visible.

By clicking on the appropriate form field, you will be able to enter the needed information. In some instances, the form field and the line will disappear after information is entered. In other cases, it will not. The form was created to function in this manner.
