  - a. Printing the forms and completing by hand. Use black ink and print neatly.
  - b. Printing the forms and completing using a typewriter.

You will need to add the name of the court and the full name of the Petitioner. The "Action/Cause No." will be assigned by the court clerk at the time of filing.
5. Forms that require your signature and include a notary block **MUST** be signed in the presence of the notary or court clerk who will complete the acknowledgement. Use your complete name - first name, middle name, last name.
6. When a form is filed with the court, request the clerk "file-stamp" one copy of the form for your file.
7. A Law Summary is available and can be printed for your State. To do so, go to where you located this package and select the Law Summary link under the form title and print. Review the Law Summary before beginning the process of completing the forms.

#### **B. Procedure**

- Step 1: Complete all the forms using complete names - middle names instead of middle initials. The Petition is filed by their parent or guardian on behalf of the Minor Petitioner.
- Step 2: File the Petition, Consent to Change of Name, Order for Hearing in the District Court in the county in which the minor has been a resident for a period of at least 1 year and pay the appropriate fee.

If the Minor Petitioner has a non-custodial parent, notice of the filing of the petition must be sent by certified mail within five days after publication to the non-custodial parent at (1) the address provided to the clerk of the district court pursuant to subsection (1) of section 42-364.13 for the non-custodial parent if he or she has provided an address, or (2) at the last known address of the non-custodial parent.

Since service by certified mail is a statutory requirement, such notice by certified mail should be given even in cases where the non-custodial parent signs the Consent to Change of Name. Retain the return receipt for filing with the court if necessary.

Step 3: After filing, the Court Clerk will complete the Order for Hearing. This will provide you the date of the hearing. Complete the Notice of Petition and have it published in a newspaper in the county, and if no newspaper is printed in the county, then in a newspaper of general circulation therein. Clerk will direct you to the appropriate newspaper.

The notice must be published once a week for two consecutive weeks in the case of a petitioner less than nineteen years of age at the time the action is filed.

Step 4: Appear as directed by the Clerk and present the Order to Change Name to the Court. At the hearing, any persons objecting to the requested Name Change will be heard by the Court; and the Court may examine, upon oath, the Petitioner(s) or other persons concerning the Petition.

Step 5: Obtain a certified copy of the Order from the Clerk after it has been signed by the Judge. You are now ready to notify appropriate persons and governmental agencies of the change.

## **NOTE ABOUT COMPLETING THE FORMS**

The forms in this packet contain “form fields” created using Microsoft Word. “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

If you do not see the gray shaded form fields, go to the View menu, click on Toolbars, and then select Forms. This will open the forms toolbar. Look for the button on the forms toolbar that resembles a shaded letter “a”. Click in this button and the form fields will be visible.

The forms are locked which means that the content of the forms cannot be changed. You can only fill in the information in the fields.

If you need to make any changes in the body of the form, it is necessary for you “unlock” or “unprotect” the form. **IF YOU INTEND TO MAKE CHANGES TO THE CONTENT, DO SO BEFORE YOU BEGIN TO FILL IN THE FIELDS. IF YOU UNLOCK THE DOCUMENT AFTER YOU HAVE BEGUN TO COMPLETE THE FIELDS, WHEN YOU RELOCK, ALL INFORMATION YOU ENTERED WILL BE LOST.** To unlock click on “Tools” in the Menu bar and then selecting “unprotect document”. You may then be prompted to enter a password. If so, the password is “uslf”. That is uslf **in lower case letters without the quotation marks**. After you make the changes relock the document before you begin to complete the fields.

After any required changes and re-protecting the document, click on the first form field and enter the required information. You will be able to navigate through the document from form field to form field using your tab key. Tab to a form field and insert your data. If problems, please let us know.
