II. DESCRIPTIONS OF FORMS

Brief descriptions of the forms contained in your U.S. Legal Forms™ Living Will package are found below.

Health Care Directive including Living Will – This form allows you to give instructions about your own health care, to appoint someone else to make health-care decisions for you, to make anatomical gifts and to designate a primary physician to provide your treatment. You may execute an advance directive for health care at any time. You must sign and date the advance directive or have it signed and dated at your direction in the presence of two subscribing adult witnesses or acknowledge it before a notary public, attorney at law, or other person authorized to administer oaths.

Revocation of Health Care Directive - This form is a revocation of the Advance Health Care Directive provided in form NJ-P021, which allows you to give instructions about your own health care, to appoint someone else to make health-care decisions for you, to make anatomical gifts and to designate a primary physician to provide your treatment. You may revoke an advance directive by notification, orally or in writing through this form, to the health care representative, physician, nurse or other health care professional, or other reliable witness; by any other act evidencing intent to revoke the document; or by executing a subsequent directive.

Uniform Anatomical Gift Act Donation - This Uniform Anatomical Gift Act Donation form pursuant to state statutes designates the specific body parts and organs an individual wishes to donate at the time of death. This form must be witnessed and the signature notarized. Any individual of sound mind and 18 years of age or more may give all or any part of his body for any purpose allowed by statute. A gift of all or part of the body may be made by will or by a document other than a will.

Revocation of Anatomical Gift – This is a revocation of Form NJ-P025 that designates the body parts and organs an individual wishes to donate at the time of death. If the will, card, or other document or executed copy thereof, has been delivered to a specified donee, the donor may amend or revoke the gift by executing and delivering to the donee a signed statement, by making an oral statement in the presence of 2 persons and communicating the same to the donee, by making a statement during a terminal illness or injury addressed to an attending physician and communicating the same to the donee, or keeping a signed card or document found on his person or in his effects. Any document of gift which has not been delivered to the donee may be revoked by the donor in the manner set out above or by destruction, cancellation, or mutilation of the document and all executed copies of the document. Specific reference is made to the earlier executed Anatomical Gift Donation. See New Jersey Permanent Statutes 26:6-65 et seq.

III. TIPS ON COMPLETING THE FORMS

The form(s) in this packet may contain “form fields” created using Microsoft Word or Adobe Acrobat (“.pdf” format). “Form fields” facilitate completion of the forms using your computer. They do not limit your ability to print the form “in blank” and complete with a typewriter or by hand.

It is also helpful to be able to see the location of the form fields. Go to the View menu, click on Toolbars, and then select Forms. This will open the Forms toolbar. Look for the button on the Forms toolbar that resembles a shaded letter "a". Click this button and the form fields will be visible.

By clicking on the appropriate form field, you will be able to enter the needed information. In some instances, the form field and the line will disappear after information is entered. In other cases, it will not. The form was created to function in this manner.
